

L. E. SMITH BUYS WILLS HOUSE AT \$74,500 FIGURE

LeRoy E. Smith, West Broadway, proprietor of the L. E. Smith News Agency, has purchased the historic Wills House on Lincoln Square from the P. W. Stallsmith Estate for \$74,500 and has extensive plans for remodeling and restoration work.

While Mr. Smith has taken over operation of the property, formal court approval remains to be secured to consummate the sale.

Mr. Smith said he has leased from John D. Lippy Jr. the Lincoln Room collection and will continue "to work in close cooperation with Mr. Lippy in enlarging and improving that part of the historic property."

No attempt will be made to restore the York St. entrance but the present entrance to the stairway leading to the Lincoln Room will be restored to the appearance of the entrance of the Judge Wills Home complete with marble steps. The old-fashioned folding shutters for the inside of the second story windows will be replaced.

Rea And Derick To Stay
A 4½-foot statue of President Lincoln speaking will be placed near the entrance and a diorama of the main episodes in the Lincoln visit to Gettysburg on November 18 and 19, 1863, will be depicted. A recording is being made of the story of the Lincoln visit here and the preparation of the Lincoln Address in the Wills House and that will be played in connection with the diorama showing.

The Rea and Derick store, with 19 years of its 20-year lease yet to run, will continue to occupy the first floor of the building.

Mr. Smith's plans call for replanting of trees along the pavement on the Square and York St. sides of the home to restore that section of the circle more nearly to its appearance of a century ago. With underground feeding and watering, Mr. Smith believes trees can be grown there.

DIVORCE IS RECOMMENDED

Atty. J. Francis Yake Jr. has recommended that Dr. Angel Franco Rodriguez, 17 N. Washington St., be granted a divorce from Sabina (Garcia Rivera) de Franco, Puerto Nueva, Puerto Rico, on grounds of desertion and indignities to person. Atty. Yake, the court-appointed master in the case, filed his recommendation this morning in the prothonotary's office.

The master's hearing was held May 26. Prof. Franco was the only witness. Mrs. Franco did not appear, and was not represented. The Francos were married in 1919, and have five children.

Prof. Franco testified that his wife had repeatedly abused him in language which Atty. Yake called "crude, vile, profane and insulting . . . so many incidents, all of humiliating and embarrassing circumstance." He also told of her attempts to hamper his academic work including one instance in which she burned the manuscript of one of his research papers. He said that she deserted him in April, 1952.

MRS. WOODWARD DIES IN NORWOOD

Mrs. Jeannette M. Woodward, wife of Clarence E. Woodward, 15 E. Winona Ave., Norwood, Pa., and former resident of Gettysburg, died in the Chester Hospital at Chester, Pa., on Tuesday. She resided here for 22 years before the family moved to Norwood a number of years ago.

She was a Gold Star Mother. Her son, Pfc. Lawrence E. Woodward, died in World War II.

Mrs. Woodward is survived by her husband, Clarence E. Woodward; eight children, Mrs. Madeline W. Stover, Arendtsville; Robert C. Philadelphia; Francis L. Peltonville; Mrs. Louise E. Sypinski, Chester; Mrs. Pauline E. Moore, Crum Lynne; Norman R. Samuel E., and Dolores J., of Norwood. Her mother, Mrs. Emma L. Barnes, and her sister, Mrs. Pauline Walter, both of Hanover, also survive. There are eight grandchildren.

Relatives and friends are invited to gather at the Cavanaugh Funeral Home, 301 Chester Pike, Norwood. There will be a solemn requiem mass at 10 o'clock that morning at St. Gabriel's Church, Norwood. Interment at Holy Cross Cemetery at Yeadon, Pa. Friends may call Friday evening from 7 to 9:30 o'clock at the funeral home.

Hospital Fund Drive Is \$206,011

Donations of \$2,857.25 were announced for the last twenty-four hour period by directors of the Annie M. Warner Hospital building fund drive, bringing total contributions to \$206,011.84.

Fund directors are confident that the goal of \$250,000 will be reached by July 1 so that construction of the first wing can begin this summer. Many expected contributions have not yet been made due to vacations and pressing business activities. Some projects sponsored by area organizations are also still incomplete.

Persons who have not been contacted by solicitors are urged to send their contributions to the hospital.

2 COMMUNIONS ON SUNDAY AT TRINITY CHURCH

The summer celebration of the Holy Communion will take place at Trinity Evangelical Reformed Church on Sunday. The service preparatory to this celebration will be held on Friday evening at 7:30 p.m.

There will be two celebrations on Sunday, the first being held at 8 a.m. and the second at 10:40 a.m. At the first service the Junior Choir will sing. Jane Elker will be the soloist singing "My Task."

The Juniors will be advanced in their standing and given recognition. Third year singers include: Kenneth and Carolyn Kime, Betsy Hull, Chester and Radford Schultz, Barton Olinger, Barclay Collins, Peggy Smith and Jane Elker.

To Baptize At Noon
The second year group consists of Richard Kitzmiller, Bonny Macphail, Carolyn Hull, Paula Olinger, Linda Zies and Jennifer Hess.

The first year singers include: Louise Harbach, William Lane, Eddie Ziegler, Michael Shearer, Susan Shriver and Donald Ridinger. These members will receive a choir cross for faithful service.

New members will be received. The sacrament of holy baptism will be administered at 12 o'clock noon.

YEARLY MEETING

The yearly Friends' meeting at the Huntington Friends Meeting House, northeast of York Springs, will be held Sunday afternoon at 2:30 o'clock with Herbert Hadley, secretary of the Friends' Meeting of Washington, D. C., as the speaker. The next monthly meeting will be held July 3 at 3 p.m.

COUNTY NATIVE EXPIRES TODAY

Mrs. Ellen Grace Stultz, 68, died at 4:30 o'clock this morning at the home of her son, Paul A. Stultz Sr., R. 3, from a heart condition. She had been in ill health for several years. She was the widow John Stultz, who died a number of years ago.

Mrs. Stultz was born in Adams County, a daughter of the late Aaron Shuyler and Sara (Funt) Shuyler. She resided all of her life in this county, most of it in the Orrtanna area. She was a member of the local Foursquare Gospel Church.

Survivors include her son, five grandchildren, a brother, John Shuyler, Gettysburg, and two sisters, Mrs. Luther Myers, Orrtanna, and Mrs. Bertha Souder, Hagerstown, Md.

Funeral services will be held Saturday afternoon at 2 o'clock, at the Allison Funeral Home, Fairfield, with her pastor, the Rev. Harold Myers, officiating. Interment will be in the Fiohr's Cemetery, McKnightstown.

Friends may call at the funeral home Friday evening after 7 o'clock.

WILL TABULATE FARMERS' VOTE ON REFERENDUM

Results of the voting in the wheat referendum in Adams County on Saturday should be known soon after the voting places close, Roy A. Weaver, chairman of the Adams County Agricultural, Stabilization and Conservation Committee, said.

The committees in charge of each of the six voting places in the county will count the votes and telephone the results to the ASC offices on York St. District figures also will be accumulated here and they will be telephoned to Harrisburg where state sums will be compiled.

The polling places will be open for voting from 10 a.m. to 9 p.m. for the approximately 450 eligible farmers in the county to indicate whether they want the wheat marketing quota program to continue in operation for the 1956 crop.

Six Voting Places
Wheat farmers have been notified of their wheat acreage allotments. All wheat producers who will have more than 15 acres of wheat for harvest in 1956 are eligible to cast a ballot. The marketing quota program does not affect those who will have 15 acres or less wheat for harvest in 1956.

If two-thirds or more of the nation's wheat growers voting in the referendum approve, marketing quotas will continue in effect for the 1956 crop. This will mean that price support within a probably range of 75 to 82 per cent of parity will be available to those who stay within their farm's wheat allotment.

If more than one-third of the growers voting disapprove, marketing quotas will not be in effect and price support will be available at 50 per cent of parity for those farmers who stay within the wheat acreage allotment for their farms. Those who exceed their allotments will not be eligible for price support.

The voting places in the county are the old school building in Fairfield, the county ASC office on York St. here, the old school building on E. King St. in Littlestown, the Farm Bureau building in New Oxford, the York Springs High School and the Biglerville High School.

ADVENTISTS TO MEET JUNE 30

Members of the Gettysburg Seventh-day Adventist Church are planning to attend the annual state-wide camp meeting from June 30 through July 9 to be held at Westcoast, near Allentown.

The local group will join over 3,000 adherents, who will gather together from eastern Pennsylvania. In the traditional way, housing for the local group will be in cabins, tents and trailer accommodations.

Jon L. Hamrick, pastor of the local church, has already left for the camp grounds to help prepare the encampment for the record influx of believers.

In addition to platform participation during the 10-day session, Pastor Hamrick will also be in charge of the music in the main pavilion. Among the groups and speakers are the telecasters, "Faith For Today" headed by Pastor and Mrs. William Fagal, New York City; H. T. Elliott; Ben Glanzner, singing evangelist; Carl Smith, medical placement director; W. Scharffenberg, director of the American Temperance Society, and Frederick Lee, associate editor of the church's world publication.

Dealers Get Preview Of New Gasoline

Seven county Sunoco dealers were among the group of dealers, distributors and employees of the Sun Oil Co. who viewed the introduction of a new gasoline over a closed-circuit television network from the Penn-Harris Hotel, Harrisburg, Wednesday. The men left by bus in the morning and returned in the afternoon.

The seven dealers were Lamont Kane, James Winebrenner, Robert Riley, Worthy Crabbs, Pita Staub, Guy Mullens and Roy Sheads. Harrisburg was one of the 30 cities included in the network, which was set up for the introduction of the "new gasoline."

Guides Are Guests At Buggy Museum

Gettysburg Battlefield Guides who spend most of their time taking Gettysburg visitors on sightseeing tours of the battlefield had the usual order of things reversed Wednesday evening when about 30 of them were taken on a conducted tour of the Horse 'n' Buggy Museum on the Harrisburg Rd.

The guides were the guests of the Conte Brothers who opened the museum last month on the Jordan farm a mile north of here. After the tour the guides were served a buffet supper by their hosts.

College Students Pose For Photos

Two Gettysburg College summer school students, Miss Susan Lighter, Gettysburg, and Charles Metzger, Pennington, N. J., recently served as "models" for the United Press photo bureau of Harrisburg. The bureau photographed a series of battlefield and used Miss Lighter and Metzger as a typical couple touring the National Park. The page-spread of pictures featuring Miss Lighter and Metzger visiting various battlefield points of interest is scheduled to appear in Sunday magazine sections the week of the anniversary of the Battle.

Survey Shows 519 Adams School Children Have Speech Or Hearing Problems; Riegle Is Given Report

More than 500 of the 8,000 school children in Adams County have speech or hearing problems — or both, considerably more than half of them are in the elementary schools and 70 per cent of them are boys.

Those results of a survey conducted in the county schools by Dr. Donald F. Maletta, hearing speech therapist for the state Department of Public Instruction, are included in an extensive report submitted by Dr. Maletta to County Superintendent of Schools H. Edgar Riegle.

The report is expected to be placed before the members of the Adams County Board of School Directors next Monday evening when they gather for their June meeting with the employment of one or more speech correctionists for the county schools one of the items on the agenda.

May Be 200 More
Authorization for the addition of one or more speech correctionists to the county school office staff was voted at a special convention of the county school directors several months ago.

Before the survey the number of pupils in need of a speech therapist had been estimated at about 300. All of the children referred to

Local Store Fronts Will Be Remodeled

John F. Petty, McKeesport, Pa., in charge of real estate for the G. C. Murphy Co. disclosed Wednesday that remodeling operations will begin at G. C. Murphy's, Baltimore St., and extend approximately 86 feet to the corner of W. Middle St. It will include new fronts for tenants occupying that property.

Petty failed to disclose what other improvements would be made or when remodeling will begin, although Wednesday's Times carried a notice that Wolf's Pastry Shop would be closed for the next two weeks for remodeling. A building permit has also been issued to the Mack Realty Company, McKeesport, for store front alterations here amounting to \$13,000.

COVERED BRIDGE IS VICTIM OF HIT-RUN AUTO

State police are looking for a hit and run driver whose victim was the old covered bridge over Marsh Creek just beyond the pumping station on the road that passes the Eisenhower farm.

The State Highway Department, owner of the bridge, on Wednesday reported the damage to the state police and asked the officers to try to locate the owner and operator of the gun-metal gray car that caused the damage which has been estimated at about \$500.

Police say there must have been extensive damage to the front of the machine which had a headlight and fog light broken in the crash.

Can Be Repaired
The fog light, which approached the bridge from the west, struck guard posts and broke timbers on the east side of the bridge at its south end when the car failed to make the sharp left turn onto the bridge safely.

Persons nearby said they heard the sound of a crash about 11 p.m. that night. Highway Superintendent Wilbur V. Redding said the bridge can be repaired. The movement of traffic over it has not been interfered with.

Here And There News Collected At Random

For the first time in history, a President of the United States has chosen Adams County as his home. The county and the borough of Gettysburg particularly have received, by reason of the President's choice, publicity on a national and international scale of incalculable economic value. The community will in the future continue to receive the benefits of this happy choice.

The community has been blessed an amazing number of times by good fortune in the economic sense. Our beautiful, scenic and fertile agricultural surroundings contain a seminary, a college, a world famous battlefield and, more recently, the beautiful farm home of an international military hero and President of the United States.

Our wealth and good fortune have also brought great responsibilities. The citizens of our community have an individual responsibility to conduct themselves and see that others conduct themselves in such a way that proper appreciation is exhibited and that our valuable assets are protected for posterity.

There is no place in our community for those who would endanger our treasures by rank exploitation of gross commercialism and unconscionable speculation. Each citizen should assume the initiative in condemning these unsavory practices, which, if not condemned publicly, assure proper indictment by the rest of our country and the world and jeopardize our future.

FEWER PUPILS ARE RECEIVING MEDICAL AID

Fewer students received free medical assistance in the two-year period just ended, according to figures disclosed at the monthly meeting of the Adams County Board of Assistance Wednesday evening in the office, N. Washington St. The medical assistance is provided by the board in cases where a school nurse recommends a certain treatment, but in which it would be a hardship for the parents to pay.

The statistics show that in the last two years, such assistance has been approved for 68 families, and rejected for 29. The total cost was \$1,766. In the 1951-53 biennium, 72 families received school medical aid, at a cost of \$2,443.46. Mrs. Verna Myers, in announcing the figures, commented "I guess people are taking a littler better care of themselves."

A breakdown of the 68 families reveals that the board paid for 24 tonsil and adenoid operations, 40 pairs of glasses, six eye examinations, one pair of eyeglass frames, and nine dental cases. Some families, it was explained, were aided more than once.

The board nominated Miss Ethel M. Sanders, Chambersburg St., to receive a ten-year service certificate. She has worked as a stenographer in the local office for that length of time. Mrs. Myers reported. During the past month the county board gave aid to 515 cases, involving 864 persons. This is 25 less cases and 17 less persons than a year ago.

Rev. A. W. Geigley, chairman of the board, presided. Other members attending were: Mrs. William Holtzworth, Mrs. William Conover and L. V. Stock. The next meeting will be held July 20 in the board office.

Ralph W. Sheaffer, 18-year-old son of Mr. and Mrs. Ralph A. Sheaffer, Table Rock, has been awarded the second annual Musselman Foundation Scholarship at Gettysburg College, it was announced today by the faculty committee on scholarships. The four-year undergraduate scholarship, set up by the C. H. Musselman Foundation, will cover full tuition under the comprehensive fee plan.

Sheaffer, a graduate of Biglerville High School with the class of 1955, will enter Gettysburg in September, majoring in business administration. Controlling factors of the scholarship, established in December, 1953, are "character, need for assistance, and academic ability." Other items being equal, preference may be given to applicants planning business administration or chemistry as major subjects.

Last year's winner, Burnell R. Dehoff, Biglerville, will begin his sophomore year at Gettysburg in September.

Emmitsburg ASSIGNMENTS MADE OF SCOUT TROOP LEADERS

The Emmitsburg Boy Scout troop, recently reactivated, took part in opening ceremonies of the Little League last Tuesday under direction of Scoutmaster Franklin Wastler and Assistant Scoutmaster George Danner and Edward Houck. The scouts raised the flag on Community Field just outside their clubhouse while the local band played the "Star Spangled Banner."

At last week's meeting patrols were formed and assignments made as follows:

Queen Elizabeth Sails With 1,315

LONDON (AP)—The Queen Elizabeth sailed today for New York, carrying 1,315 passengers and hopes of the Cunard line of breaking a three-week seamen's strike that has crippled Britain's luxury transatlantic passenger fleet.

The 83,000-ton flagship of the Cunard line set out from Southampton fully manned.

Shouts of strikers from six strike-bound Cunard liners were drowned out by the hooting horns of the Queen Elizabeth as she steamed out.

Leaders of the strike, which has been denounced by the official National Union of Seamen, had planned most of their hopes on bringing out the crew of the Elizabeth to join the idled Queen Mary and five others in the dollar-earning Cunard fleet. The Mauretania, Scythia, Ascania, Britannic and Saxonia.

Weddings

Weaver—Nicholson

Miss Rita Marie Nicholson, daughter of Mr. and Mrs. Gerald I. Nicholson, McSherrystown, became the bride of Laverne William Weaver, son of Mr. and Mrs. David W. Weaver, Hanover, Wednesday at 8 a.m. in the Annunciation of the Blessed Virgin Mary Church, McSherrystown, on the 20th wedding anniversary of the bride's parents. The Rt. Rev. Msgr. Patrick F. McGee, pastor, performed the double-ring ceremony before the nuptial mass. The soloist Mrs. Alfred J. Young, McSherrystown, cousin of the bride, and the children's choir were accompanied by Mrs. Catherine Henry, organist. Mrs. Lee Eline, Hanover, stepsister of the bridegroom, attended the bride. Francis G. Nicholson, McSherrystown, brother of the bride, served as best man. Ushers were Thomas R. Staub and Daniel Greenholt, McSherrystown. Immediately following the ceremony a reception was held for relatives and friends in the parish auditorium. After a tour of the Pocono Mountains and elsewhere in Pennsylvania, the couple will reside in Hanover. Mrs. Weaver, a 1954 graduate of Delone Catholic High School, is employed by Montgomery Ward Co. as a bookkeeper. Her husband, a graduate of Hanover High School in 1952, is employed as a bookkeeper by Lana Lobell, Inc.

Snyder—Shultz

Miss Joyce Dean Shultz, daughter of Mr. and Mrs. Earl H. Shultz of Orrtanna, became the bride recently of Robert Allen Snyder, son of Mrs. John Sheaffer, Harrisburg, and Robert E. Snyder of Baltimore. The ceremony was performed recently by the Rev. J. Gordon McKenzie in Covenant Presbyterian Church, Harrisburg. Nuptial music was presented by Mrs. Jerome Shirk, organist, and Mrs. John Aughinbaugh, soloist. Given in marriage by her brother, Merle Shultz, the bride had her sister, Mrs. George Marks of Carlisle, as her matron of honor. Miss Mary Shultz, another sister, was bridesmaid. Nancy Shultz of York, niece of the bride, served as flower girl.

Robert Gottshall was best man and ushers were Edward H. Breach and Stanley E. Breach, uncles of the bridegroom.

Following a reception at Poplar Gardens Country Club, the couple left on a wedding trip to Niagara Falls and Canada.

The bride attended Franklin Township Consolidated School and Gettysburg High School. Mr. Snyder graduated from William Penn High School, Harrisburg. He returned last fall from a tour of duty with the armed forces in Germany and is presently employed with the H. P. Foley Company.

LEADERS HAIL MERGER OF TWO DENOMINATIONS

COLUMBUS, Ohio (AP)—The merger of two Protestant denominations has been hailed by leaders of both churches as one of the most important unions of Protestant sects in the country's history.

The merger of the Evangelical and Reformed Church and the Congregational-Christian Church was announced here yesterday after a three-day meeting of both groups. The two churches have a combined membership of more than two million.

The union—which had been discussed since 1942—will be effective June 25, 1957, church leaders said. The new combined church will be called the United Church of Christ.

Church officials estimated the new church would be ranked eighth or ninth in size among Protestant sects.

Evangelical and Reformed Church membership numbers 761,325 and has 2,735 churches in the United States. The Congregationalists have 1,283,754 members and 5,573 churches. All figures are for 1954 as listed by the Year Book of American Churches.

The merger will be accomplished in several steps. Studies and discussions will be held this year and next on the basis of union and interpretations. Church members from each sect will exchange visits.

Also, during 1956-57, the constitution for the new church will be drafted.

Here And There News Collected At Random

(Continued From Page 1)

these warm, lazy days have upon many motorists.

Men and women behind the wheels of the many thousands of cars using the streets and highways must be doubly cautious and alert to prevent accidents, and especially mishaps involving children. Children at play are unmindful of anything but the game itself; they dash across lawns and pavements and into the street or highway without thinking. Motorists must do the thinking for them.

Parents and older children can help a lot, of course, by warning the youngsters of the increased danger now that school is over for several months and by keeping an eye on the players whenever possible.

Essentially, however, motorists largely are responsible for the safety of children. They must be unusually careful and patient, drive slowly and obey all traffic signals and posted warnings. Drivers cannot rely on a child keeping out of the paths of automobiles; older heads must exercise the good judgment that should come with years of experience.

Drivers extra careful this summer won't be deeply sorrowful later.

STOCKS MOVE FORWARD

NEW YORK (AP)—The stock market rolled ahead today in fast early trading.

Railroads and steels were the leading major divisions, but many others also were ahead including the motors, aircrafts, distillers, radio-televisions, chemicals, oils, airlines, and movie issues.

Higher stocks included general motors (which started on 2,000 shares up 1/4 at 109 1/2), Youngstown Sheet Tube, Sears Roebuck, United Aircraft, RCA, Kennecott Copper, Du Pont, Santa Fe Railroad, Southern Pacific Standard Oil (NJ), United Air Lines, and Loew's.

QUAKERS GIVEN \$5,000 AWARD

NEW YORK (AP)—A Quaker meeting in Plymouth Meeting, Pa., has been awarded \$5,000 by the Fund for the Republic, Inc., for "courageous and effective defense of Democratic principles" in refusing to dismiss a librarian who would not take the Pennsylvania Loyalty Oath.

The award was announced yesterday by Robert M. Hutchins, president of the Fund, an independent, nonprofit organization founded to eliminate restrictions on freedom of thought and inquiry, and to develop policies to protect civil liberties guaranteed by the Bill of Rights.

Hutchins said the Plymouth Monthly Meeting has, since last fall, resisted pressures to fire Mrs. Mary Knowles, librarian of the William Jeanes Memorial Library. The library, open to the public, is owned and operated by the Quaker meeting.

He also praised Quaker monthly meetings at Gwynedd, Radnor, Germantown, Wrightstown and Upper Dublin, and Abington quarterly meeting for aiding Plymouth.

GIVES WARNING ON LATE BLIGHT

County Agent Frank S. Zettle has warned farmers about the spread of late potato blight. In a statement released today, he said:

"Late blight was found on potatoes in Lehigh County last Tuesday. The amount of the blight in the infected fields varied from light to fairly heavy. The amount of loss that late blight may cause this year will depend upon the weather. A wet, cool period would enable the late blight fungus to spread rapidly to all parts of the state and become destructive, while the occurrence of hot, dry weather will check the spread of the blight and hold down loss."

"Local potato growers who wish to keep late blight out of their fields are urged to start regular preventative spraying."

Zettle suggested the following materials as the best to prevent and control late blight on potatoes: Use either nabam (liquid dithane or paprate), two quarts, plus zinc sulfate, one pound per hundred gallons of spray, or use fixed copper 50 per cent wettable powder, four pounds per hundred gallons of spray.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
TWENTY YEARS AGO

Fire, Believed To Be Of Incendiary Origin, Damages Stable, Church: Fire, said by Fire Chief Wilbur J. Stallsmith to have been "positively of incendiary origin," practically ruined an historic stable on the rear of the lot at the home of Mrs. J. C. Hoke, W. High St., Thursday evening at 10 o'clock and resulted in water damage of approximately \$2,500 to valuable vestments of the Rev. Father Mark E. Stock, rector of St. Francis Xavier Catholic Church, the rear of which is adjacent to the stable.

Fire Chief Stallsmith said he had been told by persons attending a dance at the American Legion home, the rear of which is just across an alley from the stable, that a strong odor of gasoline filled the Legion building just before the fire was discovered. The odor was also noticed by residents of the area.

Horace L. Bender, one of the first firemen to run down the alley between the Legion building and the Bender apartment building, stumbled over a low wire fence apparently strung across the alley to trip firemen. Bender suffered an injured thumb and a lacerated knee in falling over the fence.

Fire spread from the barn to the window of the sacristy of St. Francis Xavier Church and it was in putting out the fire in the sacristy that the vestments suffered water damage.

Benner-Bream Nuptials Solemnized In Fairfield Menonite Church: Miss Arline Elizabeth Benner, daughter of Mr. and Mrs. B. E. Benner, Iron Springs, and Lieutenant Kenneth Deardorff Bream, son of Associate Judge and Mrs. John C. Bream, Fairfield Road, were married at 11 a.m. June 12 at the Fairfield Menonite Church by the Rev. A. W. Geisley. The double ring ceremony was performed.

County Girl Is Married Saturday: Miss Floranna B. Fox, daughter of Mr. and Mrs. Emory A. Fox, of Cumberland township and J. Gordon Holtzapple, son of Mr. and Mrs. John H. Holtzapple, of York, were married at 10 o'clock Saturday morning at St. James' Lutheran Church by the Rev. Spencer W. Aungst.

Colgan Gets State Post: Announcement of the appointment of Associate Judge F. X. Colgan, of McSherrystown, as director of corporations in the state department at Harrisburg, was made Monday. Mr. Colgan's salary will be \$4,200 a year.

Associate Judge Colgan, who succeeds Elmer Erb of Harrisburg in the position, today said he had begun his new duties two weeks ago. He said he will continue his position as associate judge and chairman of the Adams county democratic committee.

Miss M. McKay Resigns Post At Hospital: Miss Martha McKay has given her resignation to the board of directors of the Annie M. Warner hospital as superintendent, effective August 1. On that date, Miss McKay will complete 13 years as superintendent of the hospital here.

In confirming her resignation today, Miss McKay told The Gettysburg Times that she has no special plans for the future. She wants to enjoy a rest.

The directors at their last meeting declined to accept the resignation and are unanimous in their desire to have Miss McKay continue in her position here. Likewise all members of the medical and surgical staff of the institution are endeavoring to persuade her to reconsider her resignation.

Youth Is Hurt Returning Gas Cap To Patron: An effort to emulate Abraham Lincoln who walked several miles to return change left behind by a customer in a store in which he worked resulted seriously for Stanley W. "Bozy" Hull, 19-year-old son of Mr. and Mrs. Preston Hull.

Hull, who works at the Lincoln highway service station, Buford Ave., suffered a badly lacerated

Today's Talk

CONNIE MACK WISDOM

One of the very greatest figures in baseball has been that of Connie Mack. Many have been the players whom he encouraged and inspired. He was the father of one of the most outstanding baseball clubs ever organized — the Philadelphia Athletics.

Mack once said that he had known many a player go into a slump, but to come out of it greater than ever. He said that more players licked themselves than did the members of an opposing team. He always said that one of the first things for a player to do was to master himself. "Training counts," he said, "you can't win any game unless you are ready to win."

Only recently I witnessed an inspiring game between the New York Giants and the Chicago Cubs. It was tight from the first ball until the 9th inning, with the Giants then 1 to 0. With two out, the inning was about over for the Cubs, though they had two men on bases. Two balls were called on the next Cub batter. The Giant pitcher, Hearn, who had pitched a magnificent game, apparently weakened and was removed. The first ball pitched by the new man resulted in the Cub hitting a home run out of the park. Score: Cubs 3, Giants 1. The balance of the inning made no change for the Giants, and what looked like an almost sure victory for them was changed by the fighting spirit of one player who refused to see his team beaten!

There is a lot of character developed on the baseball diamond. I like to see youngsters interested in the game. Many a one of them has grown from the sand lot to genuine baseball fame. You can't do too much to encourage a love for baseball and all who are associated with it. It calls for great skill, strategy, genuine courage, alertness, decision and clean living.

It is a wonderful thing to have created a Hall of Fame for the great in baseball. Every boy interested in baseball should visit that National Baseball Hall of Fame and Museum at Cooperstown, New York. Baseball has brought pleasure, recreation and many a healthful thrill to millions of spectators. Long Live Baseball!

Tomorrow Mr. Adams will talk on the subject: "God Provides" Protected, 1955, George Matthew Adams Service

Just Folks

BIRTHDAY PARTY
We sing "Happy Birthday!" We gather about
To smile as we watch all the candles blown out.
A rush for the table the youngest ones make
As they eagerly wait for a piece of the cake

There's nothing just like it, so tender, so dear
As this party which happens just once in a year.
A party enriched with devotion and care
And a feast which love only would plan and prepare.

"Happy Birthday" we sing and "may many more be."
We say as the gifts being passed round we see.
Of all gay occasions the gayest these make:
A birthday, a party, a song and a cake.

head and concussion in an automobile accident on the Lincoln Highway east of Cashtown and is a patient at the Warner Hospital.

While at work, Monday afternoon, a motorist purchased gas at the service station and pulled away before an attendant could put the cap on the gasoline tank.

Hull borrowed a light roadster owned by Mark K. Eckert Jr., Springs Ave., and drove out the Lincoln highway as far as Cashtown but was unable to catch up with the motorist.

As Hull started to return to Gettysburg, a heavy rain began falling, and blinded the young driver, who was riding without a hat and with the top of the roadster down. The machine ran off the highway and hit a concrete culvert. The impact hurled Hull out of the car which then ran into a field and struck a tree.

Countians Are Principals In Four Weddings: Miss Florence Small, daughter of Mr. and Mrs. Joseph Small, Middleburg, and Leon Smith, son of Mr. and Mrs. Leo Smith, New Oxford, were married Tuesday morning at a nuptial high mass at St. Mary's Catholic Church, McSherrystown, with the Rev. Daniel Crowley officiating.

Miss Jean Hassler, York Springs, and Lloyd D. Rahn, son of Mr. and Mrs. William Rahn, Dillsburg, were married Saturday morning at the Presbyterian church in Hagers-

SAY MOLOTOV MAY HAVE HURT HIS OWN PEACE PLANS BY TALK

SAN FRANCISCO (AP)—Western diplomats said privately today that Russia's V. M. Molotov may have dealt an unintentional blow to his own peace offensive by raising anew all the major cold war issues.

Some small countries were plainly disappointed, but one Western diplomat expressed the belief that the U.N.'s anniversary meeting needed something like Molotov's speech yesterday to jolt it back to reality.

As the session opened its fourth day, there still was little public comment on the Soviet foreign minister's speech and his challenge to the West to make the next move in reducing world tensions.

French Foreign Minister Antoine Pinay was second on today's list of speakers.

A later speaker, Nationalist China's Foreign Minister George Yeh, was almost certain to blast Molotov's demands that Red China be seated in the U.N. and that Formosa be handed over to the Peiping regime.

Belgian Foreign Minister Paul-Henri Spaak said of Molotov's speech:

"The entire tone was conciliatory and the speech is certainly worthy of the West's attention."

Same About Broken Record
Others said privately, however, they felt Molotov would have been much more effective if he had stuck to his peace bid and omitted any reference to controversial issues. They also felt he made a mistake in blaming the West for the cold war.

Brig. Gen. Carlos P. Romulo of the Philippines said Molotov's speech was "the same old broken record." He said he thought Molotov had violated the rules of the anniversary session by raising controversial questions and criticizing other nations.

Secretary of State John Foster Dulles said:

"I will save my reactions to Mr. Molotov's speech for my own talk on Friday."

Miss Doris Rosina Grotz became the bride of Joseph Hockensmith, both of Berlin Junction, at a nuptial mass at St. Mary's Catholic Church, New Oxford, Tuesday morning.

Treva Nadine Bish, Hanover, and Claude A. Smith, son of Mrs. Vitus Smith, Brunshtown, were married Saturday evening at St. Mark's Lutheran Church, Hanover.

Predicts Approval Of Reorganization Body

HARRISBURG (AP)—Rep. Albert S. Readinger, Republican floor leader, said today the House would concur in a Senate version of an administration plan to create a 12-man governmental reorganization commission.

The House-passed plan won Senate approval 49-0, on Tuesday after being tailored by Republicans to require the governor to make all appointments.

The measure originally called for the governor to appoint four members, the speaker of the House four, and the Senate president pro tempore four.

The commission is to make a study by Dec. 31, 1956, on possible governmental reforms in the commonwealth.

The house also was expected to concur in an amendment which removes the \$40 a day salary which would have been paid commission members. They will receive expenses.

PNPA's New Building

Plans were approved this week by the Executive Committee of the Pennsylvania Newspaper Publishers' Association for the construction of a two-story office building of a state-wide organization along the Susquehanna River at 2717 North Front St., Harrisburg.

This permanent home of the association which represents 134 daily, 202 weekly and 14 Sunday

newspapers, was authorized by the PNPA membership at a convention in Harrisburg more than a year and a half ago. Subsequently, a plot of land, 110 feet along Front St. and 200 feet back to River St. was acquired by the newspaper trade association of which this newspaper is a member.

Architectural and engineering plans for the building were released this week, and general contractors were invited to submit proposals. Drawings and specifications are on file at the Builders Exchange in Harrisburg and at the office of the architectural firm of Lawrie & Green.

Although a number of state-wide trade associations and professional organizations have built permanent headquarters in Harrisburg, the PNPA building will be the first of its kind in America owned by a newspaper publishers association.

CHICAGO (AP)—For weeks late motorists were complaining that they were being ticketed for overparking although the time on parking meters had not run out. Yesterday police discovered the reason: Thomas Ponczko, 13. He said he had been slipping pennies into meters beside ticketed cars because he felt sorry for the motorists. A magistrate fined him \$2, to be inserted penny by penny in parking meters.

Miss Trudy Sanders spent the weekend with her grandparents, Mr. and Mrs. Roy Benchoff, Charman.

The 28th annual Walter re-union will be held at the Arendtsville Park on Sunday. A picnic will be served at 2 o'clock.

Robin Roberts Hit Hard By Cards And Blows Early Lead But Wins His 10th Of Season By 9-6

By ED WILKS

The Associated Press

Robin Roberts may be the only pitcher in baseball who figures to be around for the second inning after getting clobbered for three home runs and blowing a 3-0 lead in the first.

That's the Robin's way. He gets hit the hardest, yet wins the most.

Even so, the ace of the Philadelphia Phillies' staff must give Manager Mayo Smith fits.

Last night at St. Louis, he trailed 4-3 after the Cards whacked him for three homers, two in succession, in the first frame. Yet he stayed around and wound up with his 13th complete game and 10th victory of the season, 9-6.

Giants Finally Win

That put the Phils back in fifth place, a percentage point ahead of Cincinnati in the National League. The Redlegs lost 4-3 to the New York Giants, who ended a six-game losing streak. First-place Brooklyn edged Chicago 3-2, leaving the Cubs just half a game ahead of the third-place Milwaukee Braves, who whipped Pittsburgh 6-0.

In the American, the New York Yankees held their two-game lead by beating Kansas City 6-1. Runner-up Chicago trimmed Washington 3-0 and third-place Cleveland rapped Baltimore 5-0. Fast-climbing Boston defeated Detroit 12-7, leaving the Red Sox just a game short of the fourth-place Tigers.

Roberts, leading off with a double for the Phils, got a three-run rally going in the seventh that decided the game. The Phils had 14 hits—three by Roberts—off six St. Louis pitchers.

Two Homers For Stan

The Cards got 10 from Robin, including another homer—second of the night for Stan Musial, who also tripled.

The Dodgers won behind Ed Roebuck's relief work after scoring an unearned run in the eighth on an error by Hal Jeffcoat, who lost in relief.

Home runs by Hank Thompson and Bobby Hofman broke a 2-2 tie for the Giants in the ninth as Sal Maglie beat Gerry Staley for his eighth straight victory.

Braves Blank Bucs

Warren Spahn kept the Braves rolling, blanking the Bucs on six hits while contributing a one-on-homer. Battermate Del Crandall also homered off loser Max Surkont, who left in the seventh.

The White Sox breezed behind Dick Donovan's four-hitter, Walt Droppo knocked in two of the Sox runs, Leser Dean Stone and Bob Ramos stopped Nellie Fox's hitting streak at 17 games.

Early Wynn won his ninth while handing Baltimore his sixth shut-out in the last nine games. Cleveland had 15 hits, four by Al Smith.

18th For Mickey

Detroit rookie Frank Lary was rocked by the first of Ted Williams' three doubles and Norb Zaucha's three-run homer and left the game as the Red Sox went on to score six runs in the first inning. Winner Tom Brewer and Leo Kieley gave 15 hits, but eased in as Boston made it 13 out of 15.

Mickey Mantle hit his 18th homer with a man on and Yogi Berra lined a bases-loaded single, driving home two Yankee runs in support of Ed Ford, who scattered nine Kansas City hits. Art Ditmar was the loser.

BILLY COX TO HAVE SURGERY

BALTIMORE (P)—Billy Cox is scheduled for a hernia operation "probably next week," his wife said yesterday in disclosing the real reason for the veteran infielder's retirement from baseball.

"I was shocked when Billy told me he had this groin trouble," the Evening Sun quoted Billy's wife, Anna, in a telephone interview from Newport, Pa. "I was hoping up to then that he would finish the season with Cleveland, since I thought his troubles were simply with his legs."

Cox and outfielder Gene Woodling were traded by the Orioles last week to the Cleveland Indians for outfielders Dave Pope and Wally Westlake and some cash.

His retirement threw a monkey wrench into the deal. But the two clubs reached an agreement with the Orioles reportedly returning the original cash plus an additional sum.

Cox is scheduled to be operated on "probably next week" at Polyclinic Hospital in Harrisburg, Pa., Mrs. Cox said.

Veteran outfielder Del Ennis and rookie pitcher John Meyer of the Phillies are the only members of the team born in Philadelphia.

York Springs And Friendship In Tie

York Springs and Friendship battled to a 3-3 deadlock in a Bi-County Baseball League game Wednesday evening on the York Springs diamond. Darkness halted the game after seven innings.

A single by Terry Hutton which drove home a pair of runs in the fifth frame enabled the Springers to deadlock the count.

Other results were: Carlisle 1, Centerville 0; Newville 7, Plainfield 6; White Hill 9, McAllister 7.

The Elks moved into a tie for second place in the Big Little League by defeating the American Legion 9-6 Wednesday evening on the Recreation Park diamond. Darkness halted the game after six innings.

Singles by Weikert, Hankey and Weimer and a triple by John McClellan got the Elks off to a 3-0 lead in the first inning. The score went to 6-0 with three more Elks runs in the third on a single by Weimer, two walks and an error.

After the Legion scored once in the third without benefit of a hit the Elks picked up two more tallies in the fourth on a hit by Weimer, walks to Townsend and R. McClellan, plus an error.

In the fourth the Legion picked up two runs on a double by Becker, bases on balls to Graham and Henry, and a miscue. They added three in the fifth on singles by Maitland and Keefe, an error and a triple by Mitchell which drove Townsend from the mound. John McClellan, who replaced Townsend, fanned four of the six batters he faced in the last two innings.

Four errors and four unearned runs in the bottom of the third inning gave the Moose a 7-5 win over the Rotary Tigers in a Little League game Wednesday evening.

The Moose did all their scoring in the first two frames. The first three runs came in when Dick Becker singled but was thrown out as Don Coldsmith took first on a fielder's choice. Darrell Tuckey then singled and Greg Maitland got on first on another fielder's choice to load the bases. Coldsmith scored when Jack Sprecher was hit by a pitched ball. Carl Johnson had been pitching up to this point but was now relieved by Ted McPherson. Gary Fair and Dick Noble connected on their first pitches off McPherson for singles to drive in two more runs.

The Tigers came right back and pushed in three runs to knot the count. Dan March walked and Rodney Rudisill blasted a double to center to put runners on second and third. Holoka then singled to bring in one run and Ross Ramer got on via an infield miscue to send in the other runner. The bases were loaded when Johnny Longenecker drew a free pass but on the next pitch the ball got by the catcher allowing Holoka to score.

Sew Up Victory

Four infield errors and singles by Becker and Sprecher accounted for the Moose scoring in the third. All runs were unearned. From that inning on McPherson put the Moose down in order allowing but one man to get a hit. In the fifth he retired the side on four pitches, the first offering to the first man being a ball.

In the third the Rotary was able to tally twice. Walks to March and Rudisill, and singles off the bats of Johnson and Ramer were responsible for the scoring.

Sprecher and Becker took hitting honors for the Moose as they each rapped a pair of singles, adding a couple of RBI's to their records. There were five scattered hits in the Rotary lineup. Maitland, who went the distance striking out Staley, 3b, 1 0 0 0.

In a thrilling Softball League game Wednesday evening, the Texas Lunch came from behind to nip the VFW 5-3 and take over second place in the league standing.

The Vets opened fire early as they scored once in the first and second innings. In the first Ben Little scored after he singled and came around on an error and a single by Fazenbaker. In the second Kebil tallied when he got on via an infield miscue and came all the way in on errors.

The Lunchmen knotted the count in the second when Montfort, Bartholomew and Charlie Kitzmiller drew walks, Hankey got on by way of an error, and two more miscues followed.

The Vets tallied in the third on a single to Hixon and infield errors. The Lunchmen moved ahead on a single by Bartholomew, a sacrifice, a fielder's choice and a sacrifice fly.

The Lunchmen scored their final run in the sixth on a lead-off triple by Charlie Kitzmiller and a sacrifice fly by Bob Kitzmiller.

Little and Fazenbaker led the losers with a pair of hits each. Dorm allowed only four hits.

MOORE KAYOES OLSON IN 3RD; WANTS ROCKY IN SEPTEMBER

By MURRAY ROSE

NEW YORK (P)—Archie Moore's explosive punches have accomplished what all his oratory could not—earned him a shot at Rocky Marciano's heavyweight crown.

The 38-year-old light heavyweight champion did it with three punches. The right, right and left to the jaw demolished middleweight king Bobo Olson in 1:19 of the third round at the steaming Polo Grounds last night and set aging Archie on the path to a September heavyweight title scrap.

"I uess that's it, the end of my long campaign," he said. "They can't duck me now. Marciano is a great fighter. But any man I can hit, I can lick—and there's not a man I can't hit. That goes for Marciano. I think I can beat him and knock him out."

To Start Talks Soon

There's still a little dickering to do but promoter Jim Norris left no doubt as to what's coming next.

"It's got to be those two," said the president of the International Boxing Club. "It will draw three-quarters of a million dollars. I'll sit down and talk to Al Weill (Marciano's manager) and Charley Johnston (Moore's manager) in the next few days."

Marciano, who watched the fight on television at his Brockton, Mass., home, said, "There's no question that arrangements will be made for me to defend my crown against Moore in September."

Bobo Crestfallen

While Moore was looking ahead to the "climax fight of my career," crestfallen Bobo, beaten for the first time in over three years, moved back into his own division. He didn't even wait around long enough to talk to newsmen but rushed from the ballpark to Idlewild Field for a plane to San Francisco.

The first real hard blow of the fight started the blown-up middleweight king on the way out. It was a jarring right to the jaw. Another swift right thudded against Bobo's jaw and then a left hook dropped the jiggling Hawaiian on his back.

He turned sideways and tried desperately to get to his feet. But his brain was numbed and his legs wouldn't respond as Referee Ruby Goldstein tolled the full count.

Not An Easy Win

Nothing much had happened in the first two rounds except that Olson, heaviest of his career at 170½ pounds, backed and sidestepped away instead of piling on the pressure as he normally does. Archie went after him, but he didn't catch solidly until the fatal third.

Olson had his 21-win streak snapped but he had about \$74,745 from the \$206,784 gross gate and \$100,000 radio-television fee to console him. The crowd was announced as 27,435.

Archie, the 12-5 favorite, received about \$61,540, the biggest purse of his 19-year-old career.

Babe May Resume Golf In 3 Months

GALVESTON, Tex. (P)—Golfer Babe Didrikson Zaharias, 41, today was expected to return to golf in about three months following an operation to remove a damaged spinal disc.

The Babe was resting comfortably following the 3½-hour surgery at John Sealy Hospital yesterday.

Her doctor, S. R. Snodgrass, said "The disc was removed and no fusion was needed, which means she will be able to get back to her golfing in about three months."

Mrs. Zaharias is thought to have injured her back pushing a stuck auto about three months ago.

ADVERTISE IN THE TIMES

Eastern League

By THE ASSOCIATED PRESS

Allentown has pulled one notch ahead in the Eastern League at the expense of Binghamton's pitching ace Jim Coates.

Coates, who had given up only one earned run in his last 43 innings, was knocked out of the box in the fifth last night as Allentown blasted the host Triplets, 10-5.

The victory boosted the Red Birds into third place, only two percentage points behind Binghamton.

Good pitching marked other games last night. Wilkes-Barre righthander Jim Mazzola turned in a five-hitter at Wilkes-Barre and topped the last-place Albany Senators, 2-0. Rightfielder Tony Melton poked a timely homer in the seventh with one on to give Mazzola the margin.

Big Don Minnick scattered six Elmira hits as he blanked the visiting Pioneers, 5-0, and registered his 10th straight mound victory for the Reading Indians.

Cal Houe hurled a six-hitter for the league leading Williamsport Grays, dumping the Schenectady Blue Jays, 7-2.

**9 BOYS ENTER
LOCAL JAYCEE
GOLF TOURNEY**

Nine boys have signed up for the Jaycee Junior golf tournament which will be held Friday on the Gettysburg Country Club course.

Robert Albright, chairman of the local Jaycee committee, has announced additional entries will be received up to tee-off time at 9 o'clock Friday morning.

All boys of this area who will not reach their 18th birthday until August 15 are eligible.

The tournament, which is sponsored by the local Jaycee organization, is part of the nation-wide program of Jaycee groups.

The winner of Friday's local tournament will be awarded a plaque and will also be sent to the state tournament to be held July 11 and 12 on the Mt. Lebanon Country Club course.

18-Hole Affair

Eighteen holes of medal play will be staged in Friday's affair. In the event of a tie, a sudden-death playoff will be held.

Entries to date include the following: Sam Hartley, aged 13, Donald J. Reimer, 13, Donald Smith, 17, Richard Redding, 14, Donald Ecker, 14, Harold Miller, 12 and Tony Brown 14, all of Gettysburg; James Smallwood, 16, Biglerville, and Joel Riddiemoor, 13, McKnightstown.

An invitation has been extended the public to attend the tournament.

IKE LAUGHS OFF 2ND TERM PLEA IN NEW ENGLAND

By MARVIN L. ARROWSMITH RUTLAND, Vt. (AP)—President Eisenhower travels into New Hamp-

shire today after laughing off a jovial plea—with a serious undertone—that he seek a second term. It was in New Hampshire's 1952 presidential primary that he got an early boost toward the White House. Eisenhower, on a tour of northern New England, arranged to fly to Concord, N.H., this afternoon for an address from the steps of the State Capitol. He arrived in Rutland from

Washington yesterday. At the fairgrounds he told a crowd estimated by police at 25,000 that America always will extend "the olive branch" of peace "to all who will take it in honesty and integrity." But he stressed that the United States also intends to remain strong. The plea that the President seek a second term was voiced by Sen. Aiken (R-Vt.), who in introducing Eisenhower referred to him as "a

TELEPHONE CO. WOULD RAISE TOLL CHARGES

HARRISBURG (AP)—The Pennsylvania Community Telephone Co., Dallas, today sought Public Utility Commission approval of a plan to boost toll charges in a number of Dauphin and Schuylkill County areas, effective Aug. 2.

The commission said the firm proposes to withdraw free local service and substitute toll charges on calls between Gratz and these points: Tower City and Williams-town, 10 cents; Valley View, 15 cents, and Millersburg, 20 cents.

Rates on calls from these five points to Mandata would be as follows: Valley View, 20 cents; Elizabethville, Millersburg and Lykens, 15 cents, and Gratz, 10 cents. The tolls have been in effect from Mandata to those places since 1949. The company said the toll rates, to produce an estimated \$4,000 more annual revenue, are set up to make them more uniform with charges throughout its six-county system.

Would Raise Coin Rate. Furnishing service to 13,700 subscribers in Chester, Dauphin, Lancaster, Monroe, Northampton and Schuylkill counties, the company also proposed to raise public coin box calls from five to 10 cents.

The dime pay telephone rate, now used by many companies, would yield an additional \$844 yearly, the utility estimated. It was filed to become effective next Aug. 18.

Ask Half Million For State Ag Research

HARRISBURG (AP)—The House Appropriations Committee today has before it a request for \$500,000 for research to be conducted at the state agricultural experiment station at Pennsylvania State University.

A bill seeking the money, to go through the Agriculture Department, was submitted Tuesday by Reps. Snider (D-Payette) and Bonner (D-Carbon).

It would be allocated in this manner: \$200,000 for research in the school's Department of Animal Husbandry and \$150,000 for research in each of the dairy, science and poultry husbandry departments of the university.

The money could be used for equipment, laboratory supplies, wages, buildings, livestock and animals or any other necessary item in conducting "both basic or fundamental research."

part-time farmer." The allusion was to his farm at Gettysburg, Pa. With a broad smile, Aiken added:

"It is my earnest hope that he will remain a part-time farmer for some time to come — say around five or six years."

Progress Toward Peace. That brought a big round of applause. Aiken then went on to say that much progress toward lasting world peace has been made under Eisenhower.

"Certainly we can spare one farmer to carry on this noble work," he said, touching off another burst of applause.

Eisenhower laughed heartily but in his talk a moment later gave not the slightest hint of his 1956 plans.

Within an hour after he left the flag-bedecked platform he was casting happily for trout in fast-running Furnace Brook near his overnight headquarters at Mountain Top Inn, Chittenden. He caught three in about 75 minutes but decided they were too small to keep.

Probe U.S. Agencies Concealing Data

WASHINGTON (AP)—Chairman William L. Dawson (D-Ill.) said today the House Government Operations Committee will investigate accusations that government agencies are withholding and suppressing information.

Dawson said a special three-man subcommittee, headed by Rep. Moss (D-Calif.), will be set up to do the job.

Moss said subcommittee investigators already have contacted representatives of newspapers and other groups about "the availability of information from government sources." Public hearings are not expected at this session of Congress, however, he added.

RAISE SIGHTS ON BUSINESS BOOM AGAIN

By SAM DAWSON

NEW YORK (AP)—Once more the sights are being raised on the business boom. This time business is feeding on its own growing confidence.

Consumers led the way with purchases that more than made up for the drop in government spending for defense. Now industrial leaders are aiming higher than a few months back and their spending for new plants and modernized equipment is pushing general prosperity to new peaks.

New Record Daily

Summer with its heat and vacations may slow the economy down for a spell. But now, almost daily, come reports of new records in autos, steel, aluminum, machine tool ordering, shoe making, construction, incomes, stock prices, in industrial output in general.

Businessmen's own spending is now backing up the gains in consumer spending, the Department of Commerce reports. Fed by higher incomes, the willingness of Americans in general to spend more this year has given businessmen the confidence necessary to plan for increased capacity to produce.

General Motors, for example, has just announced a new 500 million dollar expansion program for more floor space, new machine tools and presses.

The Commerce and Labor Departments join in boosting their previous guesses on total construction expenditure this year. They now think the total will come to about 42 billion dollars, a record for any year, and at least 11 per cent above last year's mark, the previous record. About 21 per cent more will be spent for new homes this year. The departments note "a trend toward larger and more expensive homes."

Spending on new commercial buildings will be up 30 per cent, on industrial plants up 8 per cent, and on private utilities up 4 per cent.

MARCUS HOOK DUST STIRRING VERBAL BATTLE

MARCUS HOOK, Pa. (AP)—A
chemical dust which coated the
streets of this southeastern Penn-
sylvania town so it looked like a
snow city in June has stirred a
verbal battle between residents and
officials of the Sun Oil Co.

A spokesman for Sun, which
opened a new gasoline-making
plant here earlier this month, said
"a dust was thrown into the air"
from a catalyst used in the manu-
facturing process. But he denied
rumors that it was dangerous or
unhealthy.

He said "certain unexpected
things" occur when a new plant
opens but the difficulties are get-
ting straightened out.

The wife of a Marcus Hook coun-
cilman, Mrs. Lena Palmer, said
she's "frightened because I'm afraid
it might be ruining our health."

Other residents say they found
pieces of silver in their home bad-
ly tarnished and declared their
bathtubs, wine wet, had turned a
deep rusty color.

whom Italian police want to put
under surveillance in connection
with the holdup in New York of
the Chase Manhattan Woodside,
Queens, branch April 6.

The group is believed touring
through Italy in an American car.
Asst. Atty. Thomas P. Cullen
of Queens said the request to check
on them had not come from him.
He said "We have come to the
conclusion that they are practical-
ly cleared."

However, before the news black-
out, Italian police sources said that
a request had been made by the
United States through the Interna-
tional Police Organization to locate
and watch—but not to arrest—certain
persons who might have infor-
mation about the record \$305,243
robbery.

In New York, Cullen said that
one of those on the Italian list is
a respected Queens businessman,
another is a New York City civil
servant and a third a federal em-
ployee. He said he knew nothing
about the other two.

FREE PRISONERS IN ARGENTINA

By JIMMIE PAYNE

BUENOS AIRES (AP)—Political
prisoners arrested in connection
with last week's revolt against the
government of President Juan P.
Peron are being released, the gov-
ernment has announced.

The order frees political oppo-
nents of the government such as
Crisologo Larraide, leader of the
Radical party, who were jailed dur-
ing and after the revolt.

The rebels themselves—mostly
navy fliers and marine corps per-
sonnel—are to be tried by the Su-
preme Council of the armed forces.

The government announcement
said it had been decided to release
political prisoners "in the inter-
ests of restoring complete tran-
quility throughout the nation."

A communique earlier from Maj.

Gen. Franklin Lucero, army min-
ister and commander in chief of
the "forces of repression," re-
ported all of Argentina absolutely
calm. Troops guarding public
buildings and churches in the cap-
ital since the uprising last Thurs-
day were sent back to their bar-
racks Wednesday.

Police in Rosario, capital of
Santa Fe province and Argentina's
second largest city, announced that
21 Communists had been arrested
there for distributing subversive
leaflets and violating the state se-
curity decree.

News Of Emmitsburg And Vicinity

GIANTS-REDSOX LITTLE LEAGUE GAME TONIGHT

Little League operations in Emmitsburg continue tonight at 6:15 when Managers Jim McKeon and Dick Harner send their charges against one another at Community Field in the second game of the 18-game card. McKeon's team, the Redsox, will depend on the slants of lefty Don Sweeney to turn back Harner's Giants. The two teams played an abbreviated practice game on Tuesday with the Giants winning 5-4. Tonight's game, however, goes into the record books.

Tuesday's lifeliner was well received by enthusiastic spectators and indications are that Little League draw will improve in the future.

Saturday morning the Little Leaguers will assemble at Houck's store to board buses for a trip to Washington to see the Senators play the Tigers as guests of a brewing concern. Some chaperons are still needed and volunteers can contact Jack Rosensteel who is in charge of the activity. Little Leaguers should bring a note from their parents.

Youngsters wishing to join the club rosters can still do so by contacting one of the managers.

Uniforms for the Little Leaguers are on order and delivery is promised within the next two weeks. Solicitation for funds has been good, but funds are still needed to cover anticipated expenses for this first year. Persons who have not been contacted can send contributions to J. Edward Houck, treasurer of the Little League.

Pro-German Was Churchill Standin

LONDON (AP)—That's the former Prime Minister's head on London's new statue of Sir Winston Churchill but the body belongs to a man interned as pro-German during both world wars.

Gerald Hamilton, 67, and also an author, disclosed today that he was the stand-in model for the bigger-than-life, seated bronze of the 80-year-old statesman unveiled in London's Guild Hall Tuesday.

"I must say the situation did strike me as a little strange," Hamilton told reporters. "But I was only the body. The statue is me only from the head down."

"I'm not a Fascist or a Nazi," he said. "I just thought it was better to deal with the Germans than the Russians—and I still think I was right."

Churchill saw the statue at the Guild Hall ceremony Tuesday. He liked it, but commented on the stand-in: "Couldn't they pick anyone else?"

Picks Up Escaped Con On Way To Work

BELLEFONTAINE, Pa. (AP)—A prison guard on his way to work Wednesday picked up Mike M. Bellas, 34, of Indiana County, who escaped from the Rockview State Penitentiary Tuesday.

The guard, Paul Poorman, of nearby Millheim, came across Bellas walking along a highway near Spring Mills, 20 miles from the prison.

Bellas was taken to the Centre County jail to face an additional charge of prison escape.

Bellas walked away while on a work detail at the prison farm. Prison records showed he was serving 8 to 16 years for manslaughter and burglary.

LIONS INSTALL NEW OFFICERS NEXT MONDAY

The Emmitsburg Lions Club will hold the annual installation of officers at their next regular meeting Monday at the Lutheran Parish Hall.

Charles Joy, Libertytown, zone chairman, will install the following officers: President, Cloyd Seiss; first vice president, Clarence Frailey; second vice president, Philip Sharpe; third vice president, John Hollinger; secretary-treasurer, Robert Daugherty; lion tamer, Bernard Eckenrode; tall twister, Paul Claypool; director, Clarence Hahn.

Plan Horse Show

The Lions will hold their annual picnic for members, their families and guests at Dr. D. L. Beegle's cottage on Marsh Creek on Monday, August 22.

Plans for the annual horse show on Sunday, September 25, are progressing. Robert Daugherty is general chairman; H. W. Roger, advertising chairman; Cloyd Seiss and Clarence Hahn, co-chairmen on the field; John Dillon, secretary.

Ringmaster will be Eugene Ryan, Hagerstown, with Preston Howard, Mt. Tammam Farm, Hagerstown, serving as announcer. Judges have not yet been selected. The show will be held at the Civic Association Horse Show Grounds.

PORTLAND, Ore. (AP)—Twelve rockets were fired from a parked jet fighter plane at the Portland Air Force Base Monday, causing two million dollars damage.

The practice rockets, which did not carry live warheads, smashed into a row of parked jets. Two were destroyed by fire, two others were damaged and a C-46 transport plane also was hit.

No one was injured although one of the 3½-foot missiles bounced off the roof of a house a mile away.

Col. Elmer McTaggart, acting commander of the base, said a man is being held for investigation. He was identified only as "an authorized individual."

PHILADELPHIA—James E. D. Pew, 55, manager of the Natural Gas and Natural Gasoline Division of the Sun Oil Co. died Sunday.

Boy Is Injured In Farm Hay Baler

HARRISBURG (AP)—Larry Stephens, 7, of Marysville, today was reported in unsatisfactory condition at Harrisburg Hospital with injuries received when his head was caught in the whirling cylinder of a farm hay baler.

The boy's father, Robert Stephens, said the youngster was visiting relatives at nearby Middletown when he went to a neighboring farm to watch the baler in action.

Larry was walking behind the machine with other youngsters when the accident happened. He suffered concussions, possible skull fracture, multiple fractures of the face, lacerations and eye injuries.

BIBLE SCHOOL ENDS SESSION ON WEDNESDAY

The Emmitsburg Community Vacation Bible School closed Wednesday morning with a public program and a school picnic at 11 o'clock in the church hall. Enrollment at the end of the school stood at about 130 students, 30 more than at the opening.

Miss Edith Long was in charge of the closing program which included the following activities: group singing led by Mae Butshman and Peggy Hardman; the reading of the 23rd Psalm by a junior girl; prayer, Rev. Edmund P. Welker, pastor, Emmitsburg Reformed Church; "Who Can Make A Rose," sung by primary department which also gave Bible memory verses; review of work done by senior department, Peggy Hardman; "This Is My Father's World," junior department.

Mrs. Andrew Eyster, treasurer of the vacation school, reported offerings of \$43.39 with \$11.25 a special gift. Last year's balance was \$27.50. Since there were some bills outstanding only a partial report was given showing expenses of about \$50.

Remarks by Mrs. Long indicated "an excellent spirit among those attending the school." Parents contributed refreshments for the picnic. Ice cream was donated by Walter Crouse, C. A. Harner and Curtis Bucher.

23RD RESPITE FOR TWO MEN

HARRISBURG (AP)—Two convicted Bucks County slayers today had their 23rd respites from the state's electric chair following action by Gov. Leader to stay their scheduled execution early Monday.

Harry Zietz and Harold Foster, who were sentenced for the slaying of William Kelly during the holdup of a Feasterville, Bucks County, tavern six years ago, had their execution date reset to Oct. 10.

Leader said he based his decision on action by the state Pardons Board to continue Zietz's case until its next meeting in September.

The board continued the Zietz hearing on an appeal for commutation because of the possibility of appeal by a third man convicted in the holdup slaying, David Darcy.

The board said it could not give "proper consideration to both the interests of the commonwealth and this defendant (Zietz) until litigation involving David Darcy has ended."

Darcy has until Friday to appeal to the U.S. District Court against its refusal to grant him a new trial requested two weeks ago.

BODIES OF TWO YOUTHS FOUND

STRAUSTOWN, Pa. (AP)—The bodies of two young men who had been missing since Tuesday were recovered Wednesday from a dam near this northern Berks County community.

State police said the two, apparently accidentally drowned, while swimming were Charles Kline, 18, of Shartlesville, Star Route, and Merlin Biner, 19, of Straustown. Their bodies were recovered from about 14 feet of water in

the dam, located a half mile north of this community, by an eight-foot farm hay rake.

State police said the two were seen entering the dam area about 5:30 p.m. Tuesday. Biner's younger brother, Joseph, entered the area about 7 p.m. but reported finding only their clothes on a shore area. He said he thought the two were hiding and left.

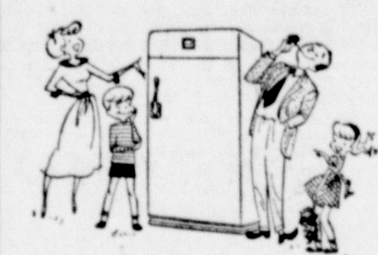

He returned later and when he was still unable to find his brother and Kline, Joseph summoned aid. Kline, a farm hand, is survived by his parents and a brother. Biner, a Reading factory worker, is survived by his parents and 13 brothers and sisters.

SAYS REVISED RESERVE PLAN CAN PASS HOUSE

By RUSSELL BRINES
WASHINGTON (AP)—Rep. Brooks (D-La.) predicted today a revised version of President Eisenhower's stalemated military reserve program will pass the House next week "with no trouble."

But Rep. Powell (D-NY) declared the new measure is "worse than before" and faces another strong fight over racial segregation issues.

A House Armed Services subcommittee, headed by Brooks, yesterday voted 11-1 to approve a new compromise bill. It is designed to break an impasse created a month ago by Powell's amendment to bar assignment of reservists to segregated National Guard units.

In an effort to avoid this issue, the new measure avoids all mention of the National Guard, although Guard spokesmen objected that they need the additional manpower.

It also contains softer language in authorizing the Pentagon to establish a new six months' training program for teen-agers volunteering for the reserves.

The evident purpose is to avoid the parliamentary tangle which House leaders say permitted opponents virtually to kill the bill before by supporting Powell's anti-segregation amendment. This alienated Southerners needed to pass the measure.

No Form Of UMT

Brooks said in a separate interview he did not see how opponents of the training program could oppose the new measure because "it is protected against any thought of extending" it into any form of universal military training.

The measure provides that youths under 18½ years can volunteer for reserve service under "such regulations as prescribed by the Secretary of Defense." Testimony showed these regulations would include a requirement to accept six months' training.

In return, the volunteer who keeps up reserve training would be free of all military obligations after serving eight years. The President could extend this program to a maximum of 250,000 men a year.

M'CARTHY TEST RESOLUTION IS DEFEATED 77-4

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP) — Sen. McCarthy (R-Wis.), an increasingly obscure American politician, this week tried to climb out of the political basement where he landed after the Senate condemned some of his actions last Dec. 2.

The reaction he got was worse than in December. The vote for condemnation was 77-22. Yesterday the Senate voted against a resolution he offered 77-4.

McCarthy alone knows whether what happened to him last year took the fight out of him. But, whereas in the past he hit out in all directions and had no trouble finding material for headlines, this year he has been comparatively quiet. He has seldom been in the news.

Rally To President
In climbing back into public view this week, McCarthy repeated what started him toward the basement in the first place: he tried to

match strength with President Eisenhower.

Democrats and Republicans alike rallied to Eisenhower and when the showdown came McCarthy didn't have much stomach for it.

In the Eisenhower administration's first two years, while he was still riding high, McCarthy tried to tell it how to handle some of its foreign policy, lambasted some of its officials and attacked unsparingly some of its operations.

Administration Stand
But when he lit into the Army, the administration took a stand. In the Army-McCarthy hearings which followed, the Army couldn't claim victory but neither could McCarthy.

For the first time millions of Americans got a good look at McCarthy and his tactics. He may have won new followers but he bored a lot of people and alienated others.

Almost immediately afterwards he was in the political fight of his life: an attempt to ward off censure of his conduct by the Senate. Instead of censure, the Senate condemned some of his conduct.

Demands Russian Agreement
Outwardly McCarthy took the result calmly. But he began to fade in a hurry. This week he asked the Senate to adopt a reso-

lution which many senators said would have tied Eisenhower's hands at the Big Four meeting in July or perhaps prevented a meeting.

McCarthy's resolution would have the Senate tell the administration to demand of Russia an agreement—before the big meeting—that it would discuss the "status" of Communist control in countries in Asia and Europe.

If the Senate went along with him, McCarthy could claim he had dictated to Eisenhower and the Russians what they should talk about. He said he wanted the Senate to act.

But yesterday, when he saw he would be clobbered, he not only tried to avoid a vote but charged that those who insisted on the showdown were aiding the Communists. This time only three other Republicans voted with McCarthy in the 77-4 vote.

MOSCOW (AP) — Prime Minister Nehru announced that he has invited Soviet Premier Nikolai Bulganin to visit India and Bulganin has accepted.

On Ellesmere Island, near the North Pole, the sun never sets for 147 days and never rises for 145 days during the year.

PERON MOVES TO QUELL RUMORS IN BUENOS AIRES

BUENOS AIRES (AP)—Backed by new pledges of military and political support, President Juan Peron pushed a dual campaign today against those who tried to overthrow him in last week's bloody revolt and persons spreading rumors of upsets still to come.

To counter one persistent rumor that Army Minister Franklin Lucero had supplanted Peron as Argentina's strong man, a government spokesman predicted last night that the President soon end Lucero's special postrevolt powers as temporary chieftain of all armed services.

Gen. Lucero himself in a broadcast last night saluted Peron as "the President of the nation and commander in chief of all the armed forces." The general called on the troops to "obey loyally and permanently the mandate of the sovereign people."

Statements pledging loyalty to Peron were issued yesterday by

the six-million-member General Labor Confederation (CGT), the President's chief political bulwark, and by both the men's and women's Peronista parties.

The roundup of rumor mongers followed repeated statements by Lucero that numerous false reports were circulating and should be ignored.

Federal police announced 14 persons were arrested for spreading untruths in Buenos Aires province, which surrounds the capital city but does not include it.

The progovernment newspaper La Epoca reported at least six arrests in the capital.

There was no announcement so far of how many persons had been found guilty of participating in the plot or what punishments had been allotted.

Police yesterday arrested four U.S. correspondents who were taking pictures of a church burned after last week's revolt. They were released after two hours. The Americans were Life magazine photographer Hank Walker and

Bill To Sell Historic Inn Wins Approval
HARRISBURG (AP) — A House-passed bill to permit the sale or lease of the old King of Prussia Inn, a Montgomery County landmark, won committee approval in the Senate Tuesday.

The measure would permit the Department of Property and Supplies to convey title to the early 18th century inn to any historical, patriotic or veterans group.

Sale of the roadside inn, closed for some time because of its isolated position between lanes of U. S. 202 near the beginning of the Schuylkill Expressway, had been opposed.

Historical and patriotic organizations had opposed the sale because they said they do not want to see the old building destroyed.

Time magazine reporter Phillip Payne, both of Washington, D.C.; Jeff Sabin, TV photographer of NBC, New York; and NBC's Buenos Aires correspondent Bob Lindley.

BULGANIN, NEHRU WANT FORMOSA GIVEN TO REDS

By STANLEY JOHNSON

MOSCOW (AP)—The Premiers of Russia and India came out jointly today for the surrender of Formosa to the Chinese Reds.

They also urged a U.N. seat for Communist China and a ban on atomic weapons.

The declaration was signed last night by India's Prime Minister Nehru and Soviet Premier Bulganin, and published this morning at the end of Nehru's 17-day visit to the Soviet Union.

The statement contained little that the two men or their governments had not said before. But it was the first time they had said it together.

Asks Arms Cut

Nehru and Bulganin called also for a "simultaneous and substantial reduction of conventional armaments" with "effective international control." They cited the re-

cent Soviet disarmament proposals as a "substantial contribution to peace."

The document was published less than three hours before Nehru boarded a plane for Warsaw to spend three days before pushing on to Belgrade, Vienna, Rome and London.

The crowds which lined the streets this morning to see Nehru outnumbered far less than the estimated million which turned out for his arrival.

Nehru was accompanied to the airport by Bulganin, Soviet Communist party chief Nikita S. Khrushchev, Deputy Premier Georgi Malenkov, Defense Minister Georgi Zhukov and other Soviet leaders.

Hails Document

Bidding the Indian leader farewell, Bulganin hailed the joint document as "a solid basis for further development between our two countries and as an example to the rest of the world of peaceful coexistence."

In addition to championing Red China's cause and echoing Russia's disarmament ideas, the declaration:

1. Reaffirmed the five principles of international coexistence

4 Senate Democrats Opposed To State Income Tax; Delay Showdown; Truck Bill Passes

HARRISBURG (P)—A new air of uncertainty today surrounded Gov. Leader's \$11 million dollar income tax proposal.

Opposition to the levy from within Senate Democratic ranks struck a blow at the levy, probably hard enough to set back a House timetable for action on the measure.

It was hardly likely that the Democratic-controlled House, even if the administration leadership felt it had enough votes, would do anything about the income tax while its future in the Senate was uncertain.

Sen. Haluska (D-Cambria) said he and three other Senate Democrats told the governor that they were opposed to the controversial income tax at this time.

But Haluska was careful enough to leave the door open to a change of heart later, declaring the quartet would reconsider its position "if nothing else is forthcoming" in the way of a tax program.

Republicans control the Senate, 26 to 24, so if the income tax is to pass the upper branch it would require six Republican votes if Haluska and his dissenting colleagues adhere to their present stand.

The administration, meantime, was reported considering a strategy of bringing up for a vote subsidy appropriations for education, hospitals and other forms of state aid and then calling upon representatives, especially Democratic tax holdouts, to support the classified income tax bill to finance them.

One administration source reasoned that a vote for subsidies would commit legislators to support taxes to finance them. The governor has insisted that he has no alternative to his classified income tax plan.

The Senate recessed until next Monday after its session Tuesday. But the House called for action on routine legislation during the day before going home until Monday.

The lower branch, in rapid fire order, Tuesday concurred in Senate amendments on an administration plan to create a 12-man government reorganization commission and on a bill to increase the weight limits of commonly used trucks from 45,000 to 60,000 pounds.

Both measures went to the governor.

The government reorganization plan provides that the governor will appoint all members of the study group which would have to make a report by Dec. 31, 1956.

On truck weights, the Senate passed the plan by an overwhelming vote and the House joined in approving Senate revisions, including one excluding light trucks from a license fee boost.

Meanwhile, Miles Horst, Republican state chairman, said last night that Republicans would support no tax program until the state cost of government was cut "to the greatest extent possible."

He said there were items in the \$1,800,000,000 budget which could be cut but declined to cite them.

The governor was expected to unlimber his biggest arguments for the classified income tax at an afternoon tax conference sponsored by the AFL-Pennsylvania Federation of Labor.

Joseph McDonough, state AFL president, contended the conference was necessary because of what he termed "the news blackout" imposed by the newspapers in certain areas of the commonwealth.

Theodore A. Serrill, general manager of the Pennsylvania Newspaper Publishers Assn., said the AFL leader was "unfair" in his criticism of the press.

On another front, the House was expected to tackle with a barrage of words the job of handling the cumbersome state budget from the floor.

The House Appropriations Committee, after six weeks of hearings, dumped it into the hands of the full House instead of making its own recommendations as originally planned.

The series of circumstances may force the administration to postpone for a second time a showdown on taxes. Original plans called for a show of hands this week. They were revised to put it off until June 27. Now it appears the whole thing may go over until July.

Haluska said Leader appeared at a caucus of Democratic senators Monday night and received the news of the opposition to the levy.

The governor suggested, he said,

RAPS "LAXITY" IN CONSTRUCTION OF STATE ROADS

HARRISBURG (P)—Rep. Johnson (R-McKean) said laxity of the state Highways Department is endangering receipt of some \$2 million dollars in federal highway aid.

"The Highway Department has approximately 100 million dollars available to spend on new roads and no plans are available for such construction," Johnson, the assistant GOP floor leader, declared in an address to the House Monday.

"This money cannot be spent this year," he added. "Last year by Decoration Day (May 30) practically all funds had been allocated and contracts awarded for construction."

"Here we are in the middle of June and very little new highway construction has been started," Johnson said.

The federal government has allocated 40 million dollars this year in matching funds to be spent on the state-federal highway system. He said an additional 42 millions "will be lost" that is available for 1956.

However, Chairman Petrosky (D-Westmoreland) of the highways committee, disagreed sharply with Johnson's contention.

"For the first time in 16 years the department is getting down to work and doing a job for the people of Pennsylvania," he said.

Petrosky said the present department is rendering "one dollar's worth of service for every dollar given his department."

Johnson blamed the potential loss of federal funds on the Democrats.

"The great road building program carried on by four successive Republican governors has come to a sudden halt," Johnson said.

that the Democratic senators "should get into the fight and sell to the voters the need for new taxes."

Haluska said he offered a sales tax "at the source"—a mercantile tax, in effect—as an alternative to the income levy.

Sen. Dent, Democratic floor leader, discounted the firmness of the stand taken by Haluska and the other three.

"I think most of them stated that the bill has not been popularly accepted," he added.

Withdraw Troops Guarding Buildings In Buenos Aires

By JIMMIE PAYNE

BUENOS AIRES, Argentina (P)—Troops guarding the Argentine capital's public buildings and churches since last Thursday's revolt were ordered back to their barracks Wednesday. A communique again reported the country "absolutely calm."

The announcement was issued by Maj. Gen. Franklin Lucero, the army minister President Juan Peron named "commander in chief of the forces of repression" after the brief but bloody uprising by Navy and Marine personnel.

Peron apparently resumed his normal routine Tuesday in improvised offices in his residence in suburban Palermo. After the bombing of Government House during the revolt, the President set up temporary offices in Lucero's War Ministry. Peron had remained in comparative seclusion at his home Sunday and Monday, while the local newspapers gave much attention to Lucero and almost none to the President.

Deny Cabinet Resigned
There was no announcement of any change in the government, despite widespread speculation that it would be reorganized. Nor was there any confirmation of rumors abroad that Peron's administration would be replaced by a governing junta.

Authoritative sources specifically denied one rumor that Peron's Cabinet had resigned.

(News dispatches from Argentina have been subject to censorship since the army put down the rebellion.)

The army announcement said that with the entire country completely normal, several groups of troops returned to their quarters from guard duty Tuesday night. The rest were ordered to follow today.

The presidential office reported that Peron saw Lucero and several civilian Cabinet ministers Tuesday.

day in separate meetings. He also met with some of his closest political associates and leaders of both the men and women's Peronista parties.

Warns Of Rumors

The continuing prominence of Lucero in the postrevolution period was emphasized again when the press secretariat revised a previous announcement of the President's callers, putting himself at the top of the list.

In his communique, Lucero advised the public to beware of rumor mongering. He in effect denied there were any disagreements inside the armed forces or between the armed forces and the government by saying such reports were "not worth comment."

Attorney For Alger Hiss Passes Away

NEW YORK (P)—Lloyd Paul Stryker, one of New York's foremost trial lawyers, who handled the defense at the first trial of Alger Hiss, died on Tuesday of a cerebral hemorrhage. He was 70.

Stryker was renowned for dramatic and clever courtroom techniques long before he won national attention at the 1949 Hiss trial. In that case he got a hung jury.

For reasons that Hiss never explained, Stryker did not defend him in the second trial. Hiss, a former State Department official, was convicted of perjury and sent to jail for five years.

Regarded as a master of cross-examination, Stryker was the author of several law books. He was born in Chicago and had practiced law in New York since 1909.

He is survived by his wife Katherine and a married daughter.

SENATE HEARS TUNNEL SAFETY TURNPIKE BILL

HARRISBURG (P)—Legislation directing the Pennsylvania Turnpike Commission to improve the lighting and painting of its tunnels through the Allegheny Mountains as a safety measure was before the Senate today.

The bipartisan legislation introduced on Tuesday would require interiors of the tunnels to be painted white and equipped with continuous fluorescent lighting.

A companion bill also calls on the commission to install medial barriers or guards along the turnpike section between the Donegal and Bedford interchanges in Western Pennsylvania.

Co-sponsors of both bills are Sens. Dent (D-Westmoreland) Mahany (R-Crawford) and Whalley (R-Somerset).

Other new Senate bills would: Appropriate \$30,000 for maintenance of the Evangelical Community Hospital at Lewisburg—Wolfe (R-Union).

Increase the fine for trucks and buses following another motor vehicle too closely on a rural highway from \$10 to \$25—Van Sant (R-Lehigh) and Weiner (D-Phila).

Authorize prothonotaries of fourth class counties to appoint special court deputies whose pay would be set by the salary board—Van Sant.

Require the state Liquor Control Board to make public through a statement to the press the results of hearings held on licensees charged with liquor law violations—Lane (D-Washington).

Connecticut Woman Killed On Turnpike

LEBANON, Pa. (P)—A 72-year-old Bridgeport, Conn., woman was killed on the Pennsylvania Turnpike on Tuesday near the Lebanon-Lancaster interchange when the car in which she was riding plunged into a roadside gutter.

State police reported Mrs. Katherine Halpin died when the car driven by her husband, William J. Halpin, 74, went out of control, hit a traffic sign and plunged into the concrete gutter.

Mrs. Catherine Hurley, 42, also of Bridgeport, was injured slightly in the crash. Halpin was taken to the Good Samaritan Hospital, Lebanon, where he was reported in satisfactory condition.

Defective Mortar Injures Guardsman

CARLISLE, Pa. (P)—An Emporia, Va., National Guardsman was in the military hospital here today with a scalp wound received when a defective mortar shell exploded near him during practice sessions at Indiantown Gap Military Reservation.

The hospital reported Sgt. Fred Ray Brewer, 25, was in good condition following the accident on Monday.

Meanwhile, the 73rd Reserve Infantry Division, of Pennsylvania, opened its two weeks of summer training Monday with weapons training.

More than 1,900 officers and men of the division arrived at Indiantown Gap Saturday and Sunday for their annual two weeks summer encampment.

SETTLES FOR \$16,000 ON QUIZ

NEW YORK (P)—Policeman Redmond O'Hanlon deferred to his responsibilities as a family man and took \$16,000 in TV quiz show winnings rather than risk it trying for \$32,000.

O'Hanlon, 39, a spare-time Shakespeare scholar, had run up his winnings with correct answers to questions on the CBS TV program "The \$64,000 Question."

Tuesday night the New York City police officer was given a chance to double his money by taking a crack at another question. Had he missed, he would have lost the money but would have gotten an expensive automobile as a consolation prize. Had he known the answer, he would have won \$32,000 and a chance to try for \$64,000 next week.

"If I Was Single"
He decided to be satisfied with \$16,000. Later he told newsmen, "If I was a single man, I would have gone all the way."

To the studio audience he explained that his dilemma was that of "the egotism of a scholar vs. the conservatism of the father of five children."

DENVER (P)—Will F. Nicholson, 54-year-old Republican state senator and friend of President Eisenhower, was elected Denver mayor by a margin of only 76 votes in the Colorado capital's first runoff election Tuesday.

The 6-foot-4 winner officially polled 60,505 votes to \$9,739 for his Democratic opponent, Dist. Atty. Bert Keating.

OK'S LEADER'S APPOINTMENTS

HARRISBURG (AP)—The Senate has confirmed unanimously Gov. Leader's appointment of Clarence P. Bowers, Reading, as a member of the state Labor Relations Board. The post pays \$8,500 a year.

Also confirmed were four appointments as workmen's compensation referees.

The confirmations followed a warning by Secretary of Labor and Industry John R. Torquato, that many workmen's compensation and other labor grievance cases are piling up in state offices due to Senate failure to confirm the appointees.

Senate Republican leaders had no explanation of why other Leader appointees to the labor relations board and unemployment

and workmen's compensation board have not yet been confirmed.

In addition, three appointees as workmen's compensation referees remain to be confirmed. Those okayed Monday night by the GOP-controlled senate:

William E. Miller, Pittsburgh; John H. Cartwright, Ridgway; Harry E. Diehl, Claysburg; and David R. Eaby, Ephrata.

Other Leader appointments confirmed by the senate included: State Board of Examination of Public Accountants: Irving Yaverbaum, Harrisburg; John P. Stapleton, Wilkes-Barre; Irwin Dubin, Philadelphia; Vincent E. Williams, Greensburg; and John R. Holland, Pittsburgh.

State Council of Civil Defense—Maurice K. Goddard, secretary of forests and waters; Joseph J. Lawler, state highways secretary; Dr. Berwyn F. Mattison, state health secretary; Harry Shapiro, secretary of welfare; and Col. Earl J. Henry, state police commissioner.

State Senate Passes Pension Increase

HARRISBURG (AP)—The Senate Tuesday night passed, 48-1, a proposed amendment to the state constitution to permit the General Assembly to increase pension rates to

government employees already on retirement.

The proposal, which originated in the House, must be passed again by both chambers in the 1957 Legislature session and then be approved in a vote of the people in order to become law.

WILD GAS WELL AT RENOVO IS UNDER CONTROL

RENOVO, Pa. (AP)—One of the nation's largest natural gas wells was capped late Tuesday, ending the fear of death and destruction that hovered over this area since the well exploded last week.

The "wild one" was quieted by Paul (Red) Adair, oil and gas well troubleshooter from Houston, Tex., and a nervous team of 16 others who knew one accidental move might be their last.

As the 3,000-pound cap was maneuvered by a crane over the well head, Adair jammed a bolt through matching holes. That provided a pivot for the cap to be swung through the tremendous pressure of the flowing inflammable gas and for other bolts to be placed.

Snuffed Out Fire
Then Ed Ingram, production superintendent for the New York State Natural Gas Co., turned a valve wheel that cut the roaring gas to a whisper and finally to silence.

The well cap blew off last Wednesday because of a faulty gasket, Adair said. The next day the gas, flowing at an estimated 200 million cubic feet daily, exploded, injuring 10 workers.

Adair, working at the core of the fire which melted down a tractor, placed and set off 300 pounds of nitroglycerin to snuff out the fire last Saturday. Then the crew carefully began scooping out a trench close to the well so that Adair and Ingram could place themselves for the final effort.

There was no immediate estimate of the loss.

East Berlin

The guests were: Mr. and Mrs. Ernest Shelleman, Mr. and Mrs. Paul Dennis and children, Dorothy, Judy, Larry, and Richard, Gardner; Mr. and Mrs. Brodbeck and daughter, Janice, East Berlin; Mr. and Mrs. Ernest Shelleman Jr. and daughter, Belinda, East Berlin.

Others included: Mr. and Mrs. Curvin Dennis and children, Shirley, Delores, Loreita and Curvin Jr., East Berlin; Mr. and Mrs. Wilbur Matthews and children, Sophia and John, Mr. and Mrs. Buckley and son, Michael, Gettysburg; Mr. and Mrs. Roy Guise and children, Glenn, Judith, Patricia, Connie, Donald, Roy Jr. and Barry, Gardner; Mr. and Mrs. Cornelius Starnier and children, Rodney, Nathan, Susie, Charlie and Brenda, York Springs; Mr. and Mrs. John Dennis and children, Linda, John Jr. and Gary, York Springs; Mr. and Mrs. Merle Dennis and children, Lucinda and David, York Springs; Mr. and Mrs. John Cool and children, Jeffrey and Craig, Biglerville; Mr. and Mrs. Earl Buckley and children, Debra and Patricia, Francis Erb and his mother, York Springs, and Dale Blevens.

Realtors Oppose State Income Tax

UNIONTOWN, Pa. (AP)—Gov. Leader's proposed 411-million dollar classified income tax is an instrument for "taxing industry out of the state," the president of the Pennsylvania Realtors Assn.

WOES MOUNT FOR SPEEDER

TREVOSE, Pa. (AP)—Motorist John H. Sullivan of Deer Park, N.Y., ran a speeding violation into \$157 in fines and court costs on Monday and wound up with a 30-day jail sentence.

Pennsylvania state policeman Robert Longo stopped the 48-year-old New Yorker near the eastern end of the Pennsylvania Turnpike for speeding and took him before Justice of the Peace Fred Ziegler. Sullivan was fined \$10 and assessed \$9 in court costs. Then, said Ziegler, Sullivan:

Became "very disorderly" and was fined another \$10, plus \$9 court costs on a disorderly conduct charge; refused an offer of a ride back to his car on the turnpike, declaring "I'll walk"; became disorderly again when turnpike attendants refused to permit him on the toll road as a pedestrian and was brought back before Ziegler and fined \$10, plus \$9 costs; became angry and was fined an additional \$100 on a blasphemy charge; refused to pay his fine and was sentenced to jail for 30 days.

Robert A. McDowell spoke on Tuesday at a regional conference of realtors.

He said the state's industrial employment is "already far behind that of contiguous states. He said that in 13 years Pennsylvania gained 37.2 per cent in industrial employment, compared with a national average of 58.2.

He said the current one per cent sales tax is the best solution for the state's tax problems, but added that it had not been given a chance to succeed.

Educator Presses Arts De-Emphasis

UNIVERSITY PARK, Pa. (AP)—The president of Stevens Institute of Technology Wednesday favored de-emphasis of training in subjects such as art, history and literature in the teaching of engineers.

"Engineering colleges should set aside the liberal arts tradition and create a techno-humanistic tradition of their own," said Dr. Jess H. Davis, in an address to the annual meeting of the American Society for Engineering Education.

Some 2,000 engineering educators are attending the meeting. The group will close its program today with an address by Defense Secretary Wilson.

State Highway Head Answers GOP Charge

HARRISBURG (AP)—Secretary of Highways Joseph J. Lawler contends that "diligent planning" by his department will assure Pennsylvania receiving federal highway construction aid.

"The state will not lose one cent and the construction program will not be delayed one minute," Lawler declared in a statement Tuesday.

He issued the statement in answer to charges by Rep. Johnson (R-McKean) that the Highways Department may lose up to 12 million dollars in federal highway aid because he said road plans are incomplete.

Lawler said the charges were "political bunk."

Halley's Comet has appeared 27 times since 240 B.C. at intervals averaging 76 years and 9 months, says the National Geographic Society.

ASK STORAGE OF GAS IN MINES

HARRISBURG (AP)—The House Mines Committee today has under suggestion the state establish ground rules for the underground storage of gas near coal mines.

Rep. Williams (D-Washington) Monday offered the bills which are identical to a pair submitted March 22 by Reps. Kent (R-Crawford) and Sarraf (D-Allegheny).

All the bills are the result of agreement among gas and coal interests and the United Mine Workers. They would change the name of the Mines Department to Department of Mines and Mineral Industries.

Any person storing gas in a reservoir either under or within 3,000 feet of an operating coal mine would be required to file within 60 days a detailed map and report. Persons drilling gas wells would have to file records indicating their exact location. And storage operators would be responsible for preventing stored gas escaping into coal mines.

Another new bill, submitted by Rep. Thomas (D-Allegheny), would require every barber shop in the state to maintain toilet facilities "readily accessible to patrons."

WASHINGTON (AP)—Senate House conferees agree Wednesday on a bill raising salaries of 1,073,262 federal employees 7½ per cent retroactive to March 1.

The Senate conferees obtained only a few minor increases in the raises voted by the House. The Senate originally had passed a 10 per cent pay increase measure; the House on Monday voted for 7½ per cent.

Fairfield COMMUNITY'S BIBLE SCHOOL OPENS MONDAY

The Fairfield Community Bible School opened on Monday morning. The 4- and 5-year-olds are holding their sessions in the Memorial Church. The 1st, 2nd, 3rd, 4th, 5th and 6th graders are meeting in the Lutheran Church while the 7, 8, and 9th grades are being held in the Reformed Church. Volunteer substitute teachers or helpers are asked to contact any of the community ministers.

Young people between the ages of nine and 16 are urged to become members of the Junior Choir of the Zion Lutheran Church. Rehearsals are held each Tuesday evening at 7:30 o'clock at the church. The choir is under the direction of Mrs. William Strick-houser.

Holy Communion will be administered in Zion Lutheran Church at the regular Sunday morning worship service, Sunday.

Hold Picnic-Meeting
The Luther League of Zion Lutheran Church held a picnic-business meeting on Sunday afternoon at Marsh Creek Heights. Routine business was transacted and the

following officers elected: President, James Landis Jr.; vice president, Thomas Dolly; recording secretary, Emma Filsinger; corresponding secretary, Ann Felix; treasurer, Nancy Duval; advisor, Rev. Verle Schumacher. The business meeting was followed by devotions after which games were played and a picnic lunch was served.

The Junior League held a wiener roast last Sunday afternoon at the home of Mr. and Mrs. Calvin Bream.

Visit Delta Church
The Ella Glenn Bible Class of Zion Lutheran Church motored to Delta, York County, on Sunday and attended church services in the Grace Memorial Church. Following the service, a picnic dinner was served in the Church Parish House to Rev. and Mrs. Myer, pastor and his wife of Grace Memorial Church; Mr. and Mrs. Shover and daughter, church organists; Mr. and Mrs. Earl McGaughrin, Mr. and Mrs. Edgar Newman, Mrs. and Mrs. Raymond Shindledacker and sons, Mr. and Mrs. S. Raymond Shindledacker and sons; Mr. and Mrs. David Sanders, Barbara Sanders, John Sanders, Mrs. Samuel Musselman, Mr. and Mrs. George Myers, Mr. and Mrs. Joseph Lowe and son, Teddy, Mr. and Mrs. Calvin Bream and family, Mrs. O. G. Sanders and Mr. and Mrs. George B. Inskip and children, Anita, Randy and Jackie. Enroute home the group toured the power plant at the Conowingo Dam and visited

at the Big Oak.
Miss Laura Lee Martin accompanied Dr. and Mrs. Charles Williams and family, Emmitsburg, on a vacation to Norfolk, Va. The group travelled by car but will return as far as Baltimore by boat.

Cemetery Group Elects
Mrs. Preston I. Welkert, Mrs. Luther Kepner, Mrs. Ray Shindledacker, Mrs. Samuel Musselman, Mrs. David Sanders, Miss Gladys Walter and Miss Sara Miller were among the group of Associated Women of Adams County who toured points of interest in Lancaster County on Thursday.

Nineteen members of the Fairfield Union Cemetery Association, Inc., were present at the re-organization meeting held on Sunday evening in the Lutheran Parish House. Following the report of the treasurer, J. Merle Kittinger, officers were elected as follows: President, Frank M. Moore; vice president, Calvin Bream; secretary, Mrs. Samuel Musselman; treasurer of both board of directors and the association, J. Merle Kittinger; board of directors, D. P. Polly, re-elected, and Roy Metz. Other members of the board of directors are Merle Kittinger, Floyd Baker, A. M. Sites and Clarence W. Welkert of Gettysburg.

FARM CALENDAR

Skim Milk Provides — Skim milk has the same food value as whole milk except fewer calories and no vitamin A. Helen L. Denning, Penn State extension nutritionist, reports.

Need Milk — Fragile bones so common among older persons may be due to prolonged deficiencies in calcium. This can be remedied if adults drink three cups of milk a day, Louise W. Hamilton, Penn State extension nutritionist, points out.

Milk Cost — Today you can buy a quart of milk at lower cost than ever before in terms of the amount of time you must work to earn enough money to buy the milk. So says Elsie Bamesberger, Penn State extension consumer education specialist.

Milk Offers — Milk offers some 100 nutrients—a long list of vitamins and minerals, high-quality protein, fats, and sugar, reports Marjorie J. Wormeck, Penn State extension nutritionist.

To Get Calcium — It's hard to get enough calcium for strong bones and teeth without drinking milk or using it in cooking or serving cheese and ice cream, declares Helen L. Denning, Penn State extension nutritionist.

Butter Hoarded — Butter was probably the first dairy product made from milk. When it was found to be a good food, it was

hoarded as a sign of wealth, says Louise W. Hamilton, Penn State extension nutritionist.

Ice Cream Debut — Ice cream first came into being in New York during the Revolutionary War. In Washington, Dolly Madison introduced the foodstuff at a White House dinner and started it on its rise to nation-wide popularity, reports Marjorie J. Wormeck, Penn State extension nutritionist.

Make Carrots — Carrots, leaving about one inch of stem. Slice lengthwise into thin strips. Roll around finger, slip off, and secure with a toothpick. Place in ice water to crisp, says Louise W. Hamilton, Penn State extension nutritionist.

Select Garnishes — Garnishes for fruit salads suggested by Helen L. Denning, Penn State extension nutritionist, include maraschino cherries, mint leaves, strawberries, cream cheese balls, and coconut.

Create Dressing — To create an interesting dressing for salads, thin mayonnaise with fruit juice, tomato juice, or cream, suggests Louise W. Hamilton, Penn State extension nutritionist.

Tossed Salad — Many folks feel a tossed green salad is best when made in a wooden bowl rubbed with cut garlic, Helen L. Denning, Penn State extension nutritionist, reports.

Save Vitamins — Save vitamin C in vegetables for salads by using a sharp knife for shredding, advises Louise W. Hamilton, Penn State extension nutritionist.

Gives 114th Pint Of Blood To Red Cross

COLUMBUS, Ohio (AP) — Every time Otto W. Weber bleeds, his coworkers at Philadelphia brewery ask in jest: "When are you going to dry up?" Today the answer is still indefinite. The 54-year-old German-born grandfather, here on his vacation, yesterday donated his 114th pint of blood to the Red Cross. His nearest competitor, he says, has given 71 pints.

ORDER RESERVED

CHARLOTTE, N. C. (AP) — Frank F. Jones, 82, for years sent cards to thousands of persons he didn't know bearing good will messages. Doctors ordered him to give up his hobby after he was hospitalized here in serious condition. He can only receive cards now.

tension nutritionist.

Introduce Greens — Introduce endive and escarole into the family's salad lineup, says Elsie Bamesberger, Penn State extension consumer education specialist. Endive has a leaf that is narrow, finely divided, and curly. Escarole is a broad-leaved plant. Both are good in tossed salads and as a base for fruit salads.

ENGLAND WILL HANG WOMAN

LONDON (AP) — An attractive blond model was sentenced Tuesday to the gallows for killing one of her two admitted lovers when he tried to leave her.

Mrs. Ruth Ellis, divorced mother of two children, swayed on her feet as Judge Sir Cecil Havers put on his black cloth cap in historic Old Bailey Court and pronounced the death sentence.

Before being led out of the courtroom, she recovered her composure and smiled.

The 28-year-old model admitted shooting David Blakely, 25, a racing motorist, but based her defense on a plea of manslaughter claiming she was provoked by jealousy into the killing outside a London tavern.

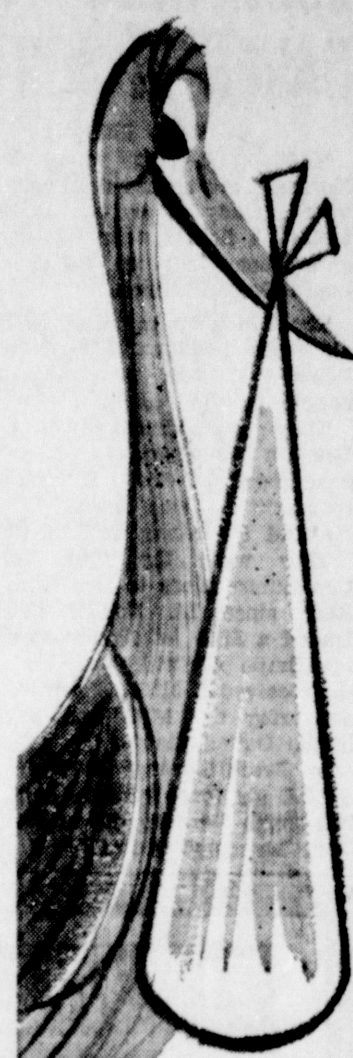

"It is obvious when I shot him I intended to kill him," she said. Judge Havers ruled out the manslaughter plea. The jury of 10 men and 2 women was out only 23 minutes.

GLASGOW, Scotland (AP) — The Duke of Edinburgh's helicopter made a forced landing in a field today and kept Queen Elizabeth II waiting anxiously for 20 minutes when he failed to show up for a date.

When he finally caught up with his wife later while she was visiting a factory, she was visibly relieved,

but pretended impatience. "What in the world happened to you?" she asked.

"Unavoidably detained, my dear," he explained with a smile.

NORTH KOREANS BOLT REDS FOR HAVEN IN SOUTH

By BILL SHINN
SEOUL (AP)—Two young North Korean fliers buzzed the Seoul Airport Tuesday in an old, Russian-built Yak fighter, then landed and gave themselves up to cheering South Korean airmen.

The two were marched to ROK air force headquarters for questioning. It was presumed they sought political asylum.

They were identified as Capt. Lee Un Yong and Lt. Lee Eun Song, each 24. South Korean officers said one was trained in Russia and the other in Red China. They were the first Korean Communist fliers to flee from the Reds since Lt. Noh Kum Suk landed a MIG jet fighter at near-by Kimpo Airfield Sept. 21, 1953. He received a \$100,000 reward for delivering the MIG and asylum in the United States.

Break Through Barrier
ROK air force officers said the two North Koreans left at 11 a.m. from Munsunri Airfield near

Pyeongyang, North Korean capital, in their Yak 18. The Yak is a single-engine propeller driven fighter-bomber. The Communists used the Yak in early stages of the Korean War. Now it is used as an advanced trainer.

It was not disclosed how the Yak penetrated without interception the 30 miles from the armistice line to Seoul.

The Yak began buzzing Seoul Airport about 1 p.m. South Korea air force officers gave a "come in" signal. A big crowd of Americans and Koreans gathered at the landing apron.

The North Korean pilots stepped from the Yak, bowed several times and raised their hands. The South Koreans applauded and cheered. The dark green plane was impounded.

WASHINGTON (AP)—A Navy spokesman says Arthur Godfrey has resigned his Navy commander's commission because he feels he can serve all the armed forces better by having no official tie with any of them.

The spokesman said on Monday that was the reason given by the radio-television personality. Godfrey lost his Navy flying rating when he passed up the required periodical physical examination.

CHEMICAL HEAD CITES THREAT IN GERM WARS

HOUSTON, Tex. (AP)—The Army's top chemical officer said Tuesday the potential threat from germ and chemical warfare is as great as the danger from atomic weapons.

Maj. Gen. William M. Creasy, chief Army chemical officer, said that in an all-out war an enemy would want to save the productive facilities of this nation and therefore might concentrate his assaults on people rather than on machines. "The hazard is insidious," Creasy declared in a speech prepared for the Texas Chemical Council, because "chemical and biological munitions are generally invisible in action, while the physical destruction weapons can be seen."

Mental Derangement
The general also spoke of the possible use by an enemy of chemical or biological agents that would affect people's brains and leave victims unable to do anything constructive toward a defense effort. He said it is "questionable" that

anyone has yet discovered the secret of how to use such mental derangement processes on a large scale, but he said that "we must assume that any potential enemy would, in order not to overlook any factor in planning our defenses."

Creasy listed several advances made by the Chemical Corps in developing means to protect people.

Advances Made
Among these he noted a new poison gas identifier which employs chemical compounds that change color when exposed to different kinds of gases.

Another is the aerosoloscope, which he said will count airborne particles, including germs, "a thousand times faster than any previous method."

There is also a new kind of wall-

DAIRIES WANT TO CUT PRICES

PITTSBURGH (AP)—Charles R. DeHaven of the Greater Pittsburgh Dairies Assn. says that several Pittsburgh dairies will ask the state Milk Control Commission to slash milk prices.

DeHaven made the statement to newsmen Monday as the commission recessed a three-day hearing on milk prices in this district. Commission Chairman Joab K. Miller, said the hearing will be

board which families could use to line bomb shelters and keep out biological agents or radioactive dust, he said.

recessed at least until July 18. He said it was recessed because the commission, however, will hold hearings in other parts of the state.

In an interview, DeHaven said: "We anticipate several other proposals on bulk prices of milk, any of which would ultimately benefit the consumers. In fact, the association will have its own plan to present."

Just last Friday, the Rieck Dairy Co. of Pittsburgh called on the commission to reduce prices. Rieck asked for cuts of one to two cents on half-gallon sales. The firm also proposed rebates as high as a dollar on doorstep deliveries to families that use more than 90 quarts a month.

ARMY DEPOT IS NOT AVAILABLE

WASHINGTON (AP)—The Army has again turned down a request that the Susquehanna Ordnance Depot at Allenwood, Pa., be made available for civilian use.

Secretary of the Army Stevens informed Rep. Simpson (R-Pa.) that part of the depot now is being used by the Lewisburg (Pa.) federal penitentiary for prisoner and agricultural purposes, the ammunition area is being used by the Ordnance Corps, and that all of the installation would be needed by the Army in event of emergency.

Furthermore, Stevens said, if the

depot were turned over to private industry additional facilities would have to be constructed elsewhere at some future date.

For these reasons Stevens concluded it would be unwise to release the depot.

Simpson and Rep. Bush (R-Pa.) have been trying for years to have the depot, a major installation in World War II, made available for civilian use. The most recent reply received by Simpson was substantially the same as the ones previously received.

WIMBLEDON, England (AP)—Unseeded Gilbert Shea of Los Angeles turned in the biggest upset of the 69th Wimbledon Tennis Championships Wednesday when he beat Vic Seixas of Philadelphia U. S. champion in a second round match. The scores were 3-6, 6-4, 6-4, 6-4.

FORD SUGGESTS INDUSTRYWIDE UNION BARGAIN

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—Walter Reuther made the auto giants squirm by tackling them separately. They're so competitive they'd probably rather continue to squirm separately than work together to block Reuther.

Henry Ford II suggested this week the auto makers should force Reuther into industrywide bargaining so he'd have to deal with them all at the same time.

General Motors made no comment but reportedly is opposed to Ford's idea. Reuther, the CIO auto workers' president, said his union was against it.

No Competitive Advantage
If the auto makers, under Ford's industrywide bargaining plan, balked at some future demand of Reuther and his union struck, all plants would be shut down simultaneously with no company having a competitive advantage over another.

As it is now, with company-by-company bargaining, one after the other, Reuther can play off one against the other. He has done it consistently, and again this year in his negotiations with Ford and GM.

He put the heat on Ford first. Ford, in the greatest race of its history to outsell GM's Chevrolet, could ill afford a strike while GM was left free to pump out Chevrolets. Ford signed up. This put GM over a competitive barrel.

If it balked at Reuther's de-

Bill Would Finance Fighting Mine Fires

HARRISBURG (AP)—A new House bill would set aside 12 million dollars for the Department of Mines to fight mine fires and extinguish burning refuse banks.

The appropriation to cover two years, was proposed Tuesday in a bill submitted by Reps. Williams (D-Washington) and Kornick (D-Fayette).

For several months residents of Natalie, Northumberland County, have complained of fumes generated by a burning culm bank. They have asked the Mines Department and the governor for help in putting out the fire.

mands—the same ones he made on Ford—and forced Reuther to deal with them all at the same time. It would not only force the Chevrolet race as it would lose on the other cars. It signed up in such order.

The most sensational issue in the two negotiations was the guaranteed layoff pay, which Reuther calls a guaranteed wage, and which the companies themselves refer to as supplemental pay for laid-off workers.

It is just possible that GM might have balked at the guaranteed layoff pay, even if it meant a strike, if Ford hadn't first agreed to it.

But in this period of prosperity and record-breaking car sales, perhaps GM would have caved in to Reuther if he had tackled it first instead of Ford. Neither company said it couldn't afford to meet Reuther's demands.

GM might have struggled harder to give less than Ford agreed to but probably not hard enough to cause a strike. What they gave Reuther was far less than he demanded.

HOPES OF AIR CONDITIONING BUSINESS UP

By SAM DAWSON
NEW YORK (AP)—Summer is perking up the hopes of the air conditioning industry after its shakedown earlier this year.

Estimates on this year's retail sales of central units for homes are being raised today by one of leading makers. He now says they'll be installed in twice as many houses this year as last.

Inventories of room coolers have been cut about 12 per cent—after considerable financial pain and some dumping. This price slashing helped retail sales in the off-season winter months climb 30 per cent over a year ago.

Window Units Selling
The Air Conditioning and Refrigeration Institute reports sales of window units are continuing at higher pace. And C. A. Tatum Jr., president of Dallas Power & Light Co., gives the Edison Electric Institute an estimate that in 10 years the air conditioning load on power lines will increase five fold.

Cloud Wampler, president of Corp., estimates this year's sales of window devices at 1,100,000 units, as against 900,000 last year. He says retail sales of central residential air conditioning equipment so far this year are almost double those of last year—150,000 units as against 75,000.

Not A Luxury Now
George S. Jones Jr., managing director of the Air Conditioning & Refrigeration Institute, says a prolonged hot spell won't be needed for the industry to sell more than

4 Proposed For State Forest Commission

HARRISBURG (AP)—The Senate had before it today for confirmation the names of four men named by Gov. Leader to the state Forest Commission.

All will serve until January, 1956. There is no pay connected with the posts.

Appointed on Tuesday, subject to Senate approval were: William F. Schulz Jr., University of Pittsburgh, to succeed Edward A. Nicodemus, Wawnesboro, term expired.

Louis Krummacker, Carrolltown, Cambria County, to succeed Joseph F. Strauss, Benton, term expired.

Reginald D. Forbes, Ambler R. 1, Montgomery County, to succeed Thomas H. Golden, Pottsville, term expired.

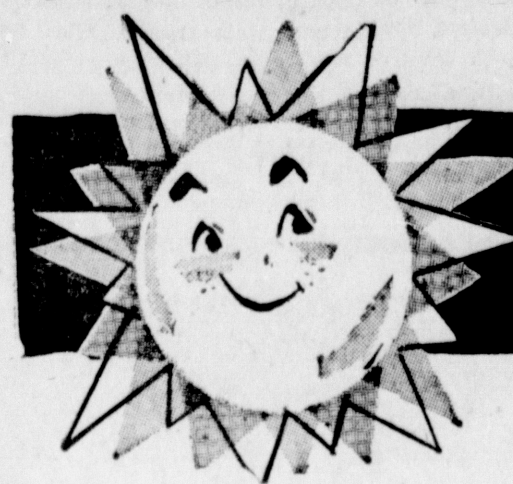

Philip H. Glatfelter, Spring Grove, York County, reappointed.

BUYS PHONE COMPANY
HARRISBURG (AP)—The United Telephone Co., Harrisburg, has received Public Utility Commission approval to buy the Southern Telephone Co., Greencastle, for \$31,500. United, which furnishes service to 65,000 consumers in 14 central and south-central counties, will take over 250 Southern subscribers in Hamilton, St. Thomas, Montgomery, Antrim and Guilford Twp., in Franklin County.

a million unit sales of room coolers this year, because "they're no longer considered a luxury."

But no matter what industry leaders say about conditioners being a necessity rather than a hot weather luxury, want to bet they aren't praying for a real sizzling spell soon?

The Latimore Sewing Basket held their second meeting recently at the home of Esther Harbold with the following officers participating:

President, Esther Harbold; vice president, Lois Hoffman; secretary and treasurer, Janet Hinkle; game leader, Velma Brough, and news reporter, Gayle Gulden. At the meeting they were told how much material to purchase to make a skirt and their local leader, Mrs. Walter Harbold, taught them the correct way to arrange and sew on buttons.

Coal in Michigan's upper peninsula is estimated by geologists to be about 500 million year old—some millions of years older than any other known coal deposit.

FARM CALENDAR

Safety First — "When hitching your tractor to an implement, your place is on the seat—not between the tractor and the machine," cautions Joseph McCurdy, Penn State extension agricultural engineer. For disobeying this rule, many a farmer has paid with smashed fingers, a crippled leg, or even his life.

Get New Plants — Red stele is a destructive disease of strawberries. Where it is present, Allen Bauer, Penn State extension plant pathologist, urges growers to get new certified disease-free plants next year and set them where soil from the old planting will not wash into, or otherwise contaminate, the new area.

Control Cannibalism — Feather picking, common with turkeys reared in confinement, can be controlled by using the simple device of a hog ring. Harry Kauffman, Penn State extension poultry specialist, suggests clenching hog rings in the turkeys' nostrils when the birds are 13 to 14 weeks of age.

Make Roofs Last — Metal roofs on many farm buildings are proving how durable this type of roof can be. Burton Horne, Penn State extension agricultural engineer, says "prolong the lifetime of these roofs by proper selection, installing, and preservation."

Drainage Needed — Puddles too big to jump across an hour after a rain, and heaved clover and alfalfa roots indicate a field needs drainage.

age, reminds Henry Wooding, Penn State extension agricultural engineer.

CANNOT BE BEAT**

After IRECO installs a Land Tailored Sprinkler Irrigation System the owner
gets moisture when and where he needs it. Nothing has been overlooked, left
to chance. An irrigation engineer "tailors" the system to the given body of
land; considers water sources, topography, soil, crops. The result is superior
sprinkler irrigation at less cost, less effort. Install IRECO Land Tailored Ir-
rigation with confidence.
